VU un mémorandum, daté le 3 de janvier 1899, du ministre de l'Intérieur, recommandant que certains changements soient faits dans les bornes de l'agence des terres fédérales de Dauphin, tel que démontré sur la carte coloriée vert, et plus particulièrement décrite comme suit :—Partant d'un point où la sixième ligne de base dans le système d'arpentage des terres fédérales coupe la rive est du lac Manitoba, de là à l'ouest le long de la dite ligne de base jusqu'à son intersection avec la ligne entre les rangs 23 et 24 à l'ouest du premier méridien initial, de là nord, le long de la limite est du township 21, rang 24, jusqu'à son angle nord-est, de là ouest, le long de la limite nord du township 21, en travers des rangs 24 et 25, de là nord, le long de la limite est du township 22, rang 26, jusqu'à son angle nord-est, de là ouest, le long de la limite nord du township 22 jusqu'à son intersection avec la ligne entre les rangs 26 et 27, de là nord, le long de la ligne entre les rangs 26 et 27, jusqu'à l'angle est du township 24, de là ouest, le long de la limite nord du township 24 jusqu'à son intersection avec la ligne entre les rangs 27 et 28, de là nord le long de la limite est des townships 25 et 26, jusqu'à l'angle nord-est du dit township 26, de là ouest, en travers des rangs 28 et 29, jusqu'à l'intersection de la ligne entre les rangs 29 et 30, étant la limite ouest de la province du Manitoba, de là nord, suivant la dite limite ouest de la province du Manitoba, et renfermant toutes les terres sises au nord et à l'est des limites ci-dessus décrites, et à l'ouest des rives est des lacs Manitoba et Winnipegosis, et comprenant les îles dans les dits lacs.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT que les règlements pour l'émission de baux pour draguer des minéraux dans les lits submergés de rivières au Manitoba et les Territoires du Nord-Ouest, établis par l'arrêté en conseil du 21 de juillet 1897, tel que modifié, déclare qu'un locataire placera une drague sur chaque cinq milles loués, et paiera une rente annuelle de $50 pour chaque drague ;

Et considérant que des personnes qui ont acquis des baux sur la rivière Saskatchewan et la rivière de la Paix en vertu des règlements, et qui ont aussi acquis par cession les baux adjoignant les leurs, ont demandé qu'il leur soit accordé les mêmes privilèges que ceux accordés aux personnes qui tiennent des baux pour draguer des minéraux dans les lits de rivières dans le territoire du Yukon, c'est-à-dire, qu'il leur soit permis de placer une drague sur chaque quinze milles tenus à bail ; et que des mineurs de mines alluviales n'aient pas la liberté de construire des digues en aile dans une rivière de manière à nuire aux opérations d'une drague,—

A ces causes il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner comme suit :—

L'article 5 des règlements du 21 juillet 1897, concernant l'émission de baux pour draguer des minéraux dans les lits submergés de rivières au Manitoba et les Territoires du Nord-Ouest, sera modifié de manière à se lire comme suit :—

"Le locataire aura au moins une drague en opération sur les cinq milles de la rivière qui lui est louée, sous une saison depuis la date de son bail, et si, durant une saison où des opérations peuvent être faites il manque de l'exploiter efficacement à la satisfaction du ministre de l'Intérieur, le bail deviendra nul et non avenu à moins que le ministre de l'Intérieur ne décide autrement. Pourvu que lorsqu'une compagnie ou un individu a obtenu plus qu'un bail, une drague par chaque quinze milles, ou fraction de quinze milles suffira pour être en conformité du présent règlement."

La première sentence de l'article 6 sera modifiée de manière à se lire comme suit :—

"Le locataire paiera une rente de $10 par année pour chaque mille de rivière qui lui est loué, cette rente sera payable d'avance, et commencera à courir depuis la date à laquelle le bail est émis."

Le proviso suivant sera ajouté à l'article 8 des dits règlements :—

"Pourvu qu'il ne sera pas loisible à cette personne de construire une digue en aile en dedans de mille pieds de l'endroit où une drague est en opération, ni obstruer ou gêner de quelque manière l'opération d'une drague quelconque."

Les dispositions qui précèdent s'appliqueront à tous les baux qui ont été émis antérieurement, et qui seront émis subséquemment à la date du présent.

33-4 Greffier du Conseil privé.

Vendredi, le 13e jour de janvier 1899.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que l'article 17 des règlements régissant l'octroi de licences annuelles sur les terres fédérales dans le Manitoba, les Territoires du Nord-Ouest et dans la zone du chemin de fer en la Colombie Britannique, établis par arrêté en conseil du 1er de juillet 1898, déclare que le ministre de l'Intérieur peut, à sa discrétion, accorder des permis dans le Manitoba et les Territoires du Nord-Ouest aux propriétaires de scieries pour couper du bois sur une étendue de terre clairement décrite, n'excédant pas cinquante mille carrés en superficie, en payant à la couronne des droits au taux de cinquante centins par mille pieds de bois scié, et une autre somme de cinquante centins par mille pieds au lieu de boni et de rente foncière, tous les autres produits de manufacture étant payés à des taux fixés par l'article 11, par. *a* ; et que des permis de cette catégorie deviendront nuls et non avenus si le permissionnaire n'exploitait pas sur la coupe décrite une étendue raisonnable pendant la durée du permis ;

Et attendu qu'il a été constaté que la disposition ci-dessus mentionnée ne fonctionne pas avec satisfaction,—

A ces causes, il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que les dits règlements du 1er juillet 1898, soient modifiés en rescindant la clause 17, et elle est par le présent rescindée.

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos "Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLE SPÉCIALE DU SÉNAT.

49. (*c*.) Chaque fois qu'un bill doit opérer dans plus d'une province, territoire ou district, l'avis sera publié dans la *Gazette du Canada* et dans un journal bien établi publié dans chaque province, territoire ou district où le bill doit opérer.

ORDRE PERMANENT.

Lorsqu'un bill confirmant un bail, une convention ou toute autre espèce de contrat, sera reçu ou présenté au Sénat, ce bail, cette convention ou cette autre espèce de contrat sera exposé dans un appendice ou autrement.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b.*) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets;

(*c.*) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b.* Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

Ordre spécial de la Chambre des Communes.

Résolu,—Que le greffier de la Chambre adresse une copie de la Règle 49 modifiée aux personnes qui signifient dans la *Gazette du Canada* leur intention de s'adresser au parlement pour la passation d'un bill privé, ainsi qu'un avis portant que la dite Règle sera strictement appliquée à l'avenir :—

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session ; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être considérées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés."

JOHN GEORGE BOURINOT,
Greffier des Communes.

Substance des règles et formes de procéder du Sénat concernant les bills de divorce.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré durant six mois avant la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique, ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district : autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire faite en vertu de "l'Acte de la preuve en Canada, 1893."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

On a Report, dated 5th December, 1898, from the Minister of the Interior, stating that Robert John Kerr squatted some years ago upon the north-west quarter of Section 35, Township 4, Range 29 west of the 4th meridian, which land has been scheduled to the Calgary and Edmonton Railway Company as a portion of that company's land grant, and assigned by them to the Calgary and Edmonton Land Company, Limited. Mr. Kerr is desirous of making homestead entry for this quarter-section and of purchasing from the railway company the north-east quarter of Section 34 in the same Township.

CONSIDÉRANT que les règlements pour l'émission de baux pour draguer des minéraux dans les lits submergés de rivières au Manitoba et les Territoires du Nord-Ouest, établis par l'arrêté en conseil du 21 de juillet 1897, tel que modifié, déclare qu'un locataire placera une drague sur chaque cinq milles loués, et paiera une rente annuelle de $50 pour chaque drague ;

Et considérant que des personnes qui ont acquis des baux sur la rivière Saskatchewan et la rivière de la Paix en vertu des règlements, et qui ont aussi acquis par cession les baux adjoignant les leurs, ont demandé qu'il leur soit accordé les mêmes privilèges que ceux accordés aux personnes qui tiennent des baux pour draguer des minéraux dans les lits de rivières dans le territoire du Yukon, c'est-à-dire, qu'il leur soit permis de placer une drague sur chaque quinze milles tenus à bail ; et que des mineurs de mines alluviales n'aient pas la liberté de construire des digues en aile dans une rivière de manière à nuire aux opérations d'une drague,—

A ces causes il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner comme suit :—

L'article 5 des règlements du 21 juillet 1897, concernant l'émission de baux pour draguer des minéraux dans les lits submergés de rivières au Manitoba et les Territoires du Nord-Ouest, sera modifié de manière à se lire comme suit :—

"Le locataire aura au moins une drague en opération sur les cinq milles de la rivière qui lui est louée, sous une saison depuis la date de son bail, et si, durant une saison où des opérations peuvent être faites il manque de l'exploiter efficacement à la satisfaction du ministre de l'Intérieur, le bail deviendra nul et non avenu à moins que le ministre de l'Intérieur ne décide autrement. Pourvu que lorsqu'une compagnie ou un individu a obtenu plus qu'un bail, une drague par chaque quinze milles, ou fraction de quinze milles suffira pour être en conformité du présent règlement."

La première sentence de l'article 6 sera modifiée de manière à se lire comme suit :—

"Le locataire paiera une rente de $10 par année pour chaque mille de rivière qui lui est loué, cette rente sera payable d'avance, et commencera à courir depuis la date à laquelle le bail est émis."

Le proviso suivant sera ajouté à l'article 8 des dits règlements :—

"Pourvu qu'il ne sera pas loisible à cette personne de construire une digue en aile en dedans de mille pieds de l'endroit où une drague est en opération, ni obstruer ou gêner de quelque manière l'opération d'une drague quelconque."

Les dispositions qui précèdent s'appliqueront à tous les baux qui ont été émis antérieurement, et qui seront émis subséquemment à la date du présent.

Greffier du Conseil privé.

ATTENDU que l'article 17 des règlements régissant l'octroi de licences annuelles sur les terres fédérales dans le Manitoba, les Territoires du Nord-Ouest et dans la zone du chemin de fer en la Colombie Britannique, établis par arrêté en conseil du 1er de juillet 1898, déclare que le ministre de l'Intérieur peut, à sa discrétion, accorder des permis dans le Manitoba et les Territoires du Nord-Ouest aux propriétaires de scieries pour couper du bois sur une étendue de terre clairement décrite, n'excédant pas cinquante mille carrés en superficie, en payant à la couronne des droits au taux de cinquante centins par mille pieds de bois scié, et une autre somme de cinquante centins par mille pieds au lieu de boni et de rente foncière, tous les autres produits de manufacture étant payés à des taux fixés par l'article 11, par. *a* ; et que des permis de cette catégorie deviendront nuls et non avenus si le permissionnaire n'exploitait pas sur la coupe décrite une étendue raisonnable pendant la durée du permis ;

Et attendu qu'il a été constaté que la disposition ci-dessus mentionnée ne fonctionne pas avec satisfaction,—

A ces causes, il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que les dits règlements du 1er juillet 1898, soient modifiés en rescindant la clause 17, et elle est par le présent rescindée.

Friday, the 13th day of January, 1899.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Regulations for the issue of leases to dredge for minerals in the submerged beds of rivers in Manitoba and the North-west Territories, established by the Order in Council of the 21st of July, 1897, as amended, provide that a lessee shall place a dredge on each five miles leased, and pay an annual rental of $50 for each dredge;

And whereas application has been made by persons who acquired leaseholds on the North Saskatchewan River and the Peace River under the Regulations, and who have also acquired by assignment the leaseholds adjoining their own, that they be allowed the same privileges as are accorded to persons who hold leases to dredge for minerals in the beds of rivers in the Yukon Territory, namely, to be permitted to place one dredge on every fifteen miles of leasehold; and that placer miners be not allowed to build wing-dams in a river so as to interfere with the operations of a dredge.

Therefore His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased to order as follows:—

Section 5 of the Regulations of the 21st July, 1897, for the issue of leases to dredge for minerals in the submerged beds of rivers in Manitoba and the North-west Territories, shall be amended to read as follows:—

"The lessee shall have at least one dredge in operation upon the five miles of river leased to him, " within one season from the date of his lease, and if " during one season when operations can be carried " on he fails to efficiently work the same to the satis- " faction of the Minister of the Interior, the lease " shall become null and void unless the Minister of " the Interior shall otherwise decide. Provided that " when a company or individual has obtained more " than one lease, one dredge for each fifteen miles, or " portion thereof, shall be held to be in compliance " with this regulation."

The first sentence of section 6 shall be amended to read as follows:—

"The lessee shall pay a rental of $10 per annum " for each mile of river leased to him, such rental to " be paid in advance and to commence to accrue on " the date upon which the lease is issued."

The following proviso shall be added to section 8 of the said Regulations:—

"Provided that it shall not be lawful for such per- " son to construct a wing-dam within one thousand " feet from the place where any dredge is being " operated, nor to obstruct or interfore in any way " with the operation of any dredge."

The foregoing provisions shall apply to all leases which have been issued anterior and which may be issued subsequent to the date hereof.

33–4 Clerk of the Privy Council.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

On a Report, dated 5th December, 1898, from the Minister of the Interior, stating that Robert John Kerr squatted some years ago upon the north-west quarter of Section 35, Township 4, Range 29 west of the 4th meridian, which land has been scheduled to the Calgary and Edmonton Railway Company as a portion of that company's land grant, and assigned by them to the Calgary and Edmonton Land Company, Limited. Mr. Kerr is desirous of making homestead entry for this quarter-section and of purchasing from the railway company the north-east quarter of Section 34 in the same Township.

The Minister further states that the last mentioned land is vacant and available, with the exception of Legal Subdivisions 10 and 15 which were included in a schedule of lands reserved for stock-watering purposes by Order in Council of the 21st September, 1897.

The Minister recommends, in order to carry out Mr. Kerr's wishes, that Legal Subdivisions 10 and 15 in the said Section 34 be withdrawn from the list of reserves for stock watering, and the south-west quarter of the same section substituted therefor; that the north-east quarter of Section 34 be granted to the Calgary and Edmonton Land Company, Limited, as a portion of the land grant to the Calgary and Edmonton Railway Company, on the former mentioned company filing here a satisfactory Quit-Claim Deed vesting the said north-west quarter of Section 35 in HerMajesty Queen Victoria in order that the same may be homesteaded by Robert John Kerr.

The Committee submit the same for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT que les règlements pour l'émission de baux pour draguer des minéraux dans les lits submergés de rivières au Manitoba et les Territoires du Nord-Ouest, établis par l'arrêté en conseil du 21 de juillet 1897, tel que modifié, déclare qu'un locataire placera une drague sur chaque cinq milles loués, et paiera une rente annuelle de $50 pour chaque drague ;

Et considérant que des personnes qui ont acquis des baux sur la rivière Saskatchewan et la rivière de la Paix en vertu des règlements, et qui ont aussi acquis par cession les baux adjoignant les leurs, ont demandé qu'il leur soit accordé les mêmes privilèges que ceux accordés aux personnes qui tiennent des baux pour draguer des minéraux dans les lits de rivières dans le territoire du Yukon, c'est-à-dire, qu'il leur soit permis de placer une drague sur chaque quinze milles tenus à bail ; et que des mineurs de mines alluviales n'aient pas la liberté de construire des digues en aile dans une rivière de manière à nuire aux opérations d'une drague,—

A ces causes il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner comme suit :—

L'article 5 des règlements du 21 juillet 1897, concernant l'émission de baux pour draguer des minéraux dans les lits submergés de rivières au Manitoba et les Territoires du Nord-Ouest, sera modifié de manière à se lire comme suit :—

" Le locataire aura au moins une drague en opération sur les cinq milles de la rivière qui lui est louée, sous une saison depuis la date de son bail, et si, durant une saison où des opérations peuvent être faites il manque de l'exploiter efficacement à la satisfaction du ministre de l'Intérieur, le bail deviendra nul et non avenu à moins que le ministre de l'Intérieur ne décide autrement. Pourvu que lorsqu'une compagnie ou un individu a obtenu plus qu'un bail, une drague par chaque quinze milles, ou fraction de quinze milles suffira pour être en conformité du présent règlement."

La première sentence de l'article 6 sera modifiée de manière à se lire comme suit :—

"Le locataire paiera une rente de $10 par année pour chaque mille de rivière qui lui est loué, cette rente sera payable d'avance, et commencera à courir depuis la date à laquelle le bail est émis."

Le proviso suivant sera ajouté à l'article 8 des dits règlements :—

"Pourvu qu'il ne sera pas loisible à cette personne de construire une digue en aile en dedans de mille pieds de l'endroit où une drague est en opération, ni obstruer ou gêner de quelque manière l'opération d'une drague quelconque."

Les dispositions qui précèdent s'appliqueront à tous les baux qui ont été émis antérieurement, et qui seront émis subséquemment à la date du présent.

Greffier du Conseil privé.

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos "Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

Résolu,—Que le greffier de la Chambre adresse une copie de la Règle 49 modifiée aux personnes qui signifient dans la *Gazette du Canada* leur intention de s'adresser au parlement pour la passation d'un bill privé, ainsi qu'un avis portant que la dite Règle sera strictement appliquée à l'avenir :—

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session ; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

Lundi, le 13e jour de février 1899.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que le Conseil Exécutif de la province du Manitoba a passé un arrêté à l'effet d'ouvrir un nouveau chemin sur le quart nord-est de la section 13, township 5, rang 7, la moitié ouest de la section 3 et la moitié ouest et le quart sud-est de la section, 9, dans le township 6, rang 7 à l'ouest du 1er méridien, et le dit Conseil a, par la voie du Secrétariat d'Etat, déposé une copie de l'arrêté (ci-jointe) ainsi que le plan qui l'accompagne ;

Et considérant que l'arrêté énonce que ce chemin est nécessaire et recommandable pour les fins d'établissement et de colonisation et pour la commodité du public, et demande qu'il soit confirmé par le Gouverneur en conseil,—

A ces causes il plaît à Son Excellence, vu qu'il n'apparaît pas d'objection à ce chemin, par et avec l'avis du Conseil privé de la Reine pour le Canada, de consentir à l'ouverture du dit chemin qui est colorié rose sur le plan ci-joint, et de le transférer à la Couronne pour la province du Manitoba, dans le but de servir de chemin public, tel que prévu par la clause 7 de l'acte 58-59 Victoria, chapitre 30.

Lundi, le 27e jour de février 1899.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que l'acte du parlement du Canada, 48-49 Victoria, chapitre 50, statue que " tous les terrains de la Couronne dans le Manitoba que l'on pourra démontrer, à la satisfaction du gouvernement fédéral, être des terrains marécageux, seront transférés à la province pour son propre usage et avantage " ;

Et attendu que conformément au dit acte, et à l'effet de mettre ses dispositions à exécution, un arrêté en conseil a été passé le 19 de juin 1886, définissant comme suit le mode de choisir les terrains :

" Toutes les subdivisions légales dont la plus grande partie est sujette à être inondée, et par là rendue impropre à la culture, seront comprises dans la liste, mais lorsque la plus grande partie de la subdivision n'est pas de cette nature, toute la subdivision en sera exclue." (La subdivision légale d'après le système d'arpentage des Etats-Unis de même que d'après le système canadien, se compose de quarante acres.)

Et attendu que l'expérience a démontré qu'il vaudra mieux dans l'intérêt du gouvernement fédéral que du gouvernement provincial, et que le progrès sera plus satisfaisant si les terres sont choisies par étendues d'au moins un quart de section au lieu d'une subdivision légale,—

A ces causes il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner, que la clause 3 de l'arrêté en conseil du 19 de juin 1886 soit et elle est par le présent cancellée et remplacée par ce qui suit :—

" Les terres à choisir seront composées d'étendues d'au moins un quart de section, dont la plus grande partie est sujette à être inondée, et par là rendue impropre à la culture, mais lorsque la plus grande partie d'un quart de section n'est pas de cette nature, alors aucune partie de l'étendue ne sera comprise dans la liste des terrains marécageux."

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos " Demande de bill privé "

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLE SPÉCIALE DU SÉNAT.

49. (*c.*) Chaque fois qu'un bill doit opérer dans plus d'une province, territoire ou district, l'avis sera publié dans la *Gazette du Canada* et dans un journal bien établi publié dans chaque province, territoire ou district où le bill doit opérer.

ORDRE PERMANENT.

Lorsqu'un bill confirmant un bail, une convention ou toute autre espèce de contrat, sera reçu ou présenté au Sénat, ce bail, cette convention ou cette autre espèce de contrat sera exposé dans un appendice ou autrement.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle dont copie peut être obtenue du greffier de la Chambre ;

(*a.*) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b.*) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

CHAMBER OF THE SENATE,

Ottawa, Thursday, 16th March, 1899.

This day, at Three o'clock P.M., His Excellency the Governor General proceeded in state to the Chamber of the Senate, in the Parliament Buildings, and took his seat upon the Throne. The Members of the Senate being assembled, His Excellency was pleased to command the attendance of the House of Commons, and that House being present, His Excellency was pleased to open the Fourth Session of the Eighth Parliament of the Dominion of Canada, with the following Speech :—

Honourable Gentlemen of the Senate :
Gentlemen of the House of Commons :

In meeting you for the first time since entering upon my duties, as the representative of Her Majesty in this Dominion, it affords me great pleasure to be able to congratulate you on the large degree of prosperity which the people of Canada at present enjoy, as evidenced by the expansion of trade and commerce, the flourishing condition of the public revenues and the increased number of immigrants who have become permanent settlers amongst us.

To these evidences may be added another which is even more gratifying,—the almost total cessation of the considerable exodus of our population which at one time was a regrettable feature of our affairs.

The negotiations which were set on foot during the recess between Her Majesty's Government and that of the United States in reference to the settlement of certain questions in dispute between Canada and the latter country were, I grieve to say, greatly delayed by the illness and subsequent death of two of the most eminent members of the Commission appointed for that purpose. Considerable progress had been made on several of the subjects submitted, but a serious disagreement arose between Her Majesty's Commissioners and the Commissioners of the United States on the question of the delimitation of the Boundary between Canada and Alaska ; the question was referred by the Commissioners to their respective Governments, the Commission being adjourned to the second day of August next, in the hope that, in the meantime, the difficulty might be overcome.

In compliance with the Act passed last session a Plebiscite was held on the question of prohibition ; the official figures of the vote will be placed before you.

I observe with pleasure that the Mother Country, Canada and other British possessions have recently adopted a Penny Postage letter rate. The satisfaction with which this action has been received by the Canadian people is a further proof of the general desire existing amongst our people for closer relations with the Mother Country and the rest of the Empire.

I am also glad to be able to state that the satisfactory condition of the finances of the country permitted a reduction, on the first of January last, of the Canadian domestic letter rate, from three to two cents and although such reduction involves a temporary loss of revenue, it is nevertheless confidently expected that the cheapened rate will prove of such service in the promotion of trade and in the general interchange of correspondence that, within a reasonable time, the revenue of the Post Office Department will be restored to its former figure.

Much information has been obtained since you last met relative to the extent and value of the deposits of gold and valuable minerals in the Yukon and other parts of Canada. The returns from the Yukon have so far proved sufficient to meet the heavy expenditure it was found necessary to incur for the purpose of preserving law and order, and it has been thought expedient in the public interest to authorize the construction of a line of telegraph for the purpose of maintaining speedy communication with the people of those distant territories.

A measure will be submitted to you for the better arrangement of the electoral districts throughout the Dominion, as also several enactments of less importance.

Gentlemen of the House of Commons:

The public accounts will be laid before you, and also the estimates for the coming year. They have been prepared with a due regard to efficiency and economy, and the responsibilities arising from the rapid progress of the country.

Honourable Gentlemen of the Senate:

Gentlemen of the House of Commons:

I am confident that the important subjects I have mentioned to you will receive your serious consideration, and that it will be your earnest endeavour to promote the public interests and prosperity of Canada.

PROCLAMATIONS.

[L.S.] CANADA.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, QUEEN, Defender of the Faith, &c., &c., &c.

To all to whom these presents shall come, or whom the same may in anywise concern,—GREETING :

A PROCLAMATION.

E. L. NEWCOMBE, Deputy of the Minister of Justice, Canada.

WHEREAS it is, in and by the Revised Statutes of Canada, chapter 86, and intituled "An Act respecting Harbour Masters," amongst other things in effect enacted, that the said Act shall apply to such ports only as are, from time to time, designated for that purpose by proclamation (excepting the ports of Quebec, Montreal and Three Rivers in the Province of Quebec, the port of Toronto, in the Province of Ontario, the ports of Halifax and Pictou, in Nova Scotia, and the port of St. John, in New Brunswick.)

AND WHEREAS an Order of Our Governor in Council was passed on the 17th day of February, A.D. 1899, designating the Port of Kelly Cove, in the County of Yarmouth, in the Province of Nova Scotia, as a port to which the said Act shall apply and declaring the limits of the said port to include all the waters of the cove inside a line drawn from Sunday Point to the outside or south tangent of Hinton Head.

NOW KNOW YE that We do hereby and by virtue of the authority vested in Us by the said Act and Order in Council respectively, proclaim and declare that the said Act shall hereafter apply to the Port of Kelly Cove, in the County of Yarmouth, in the Province of Nova Scotia.

Of all which Our loving subjects and all others whom these presents may concern, are hereby required to take notice and to govern themselves accordingly.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent and the Great Seal of Canada to be hereunto affixed. WITNESS, Our Right Trusty and Right Well-beloved Cousin the Right Honourable Sir GILBERT JOHN ELLIOT MURRAY-KYNNYNMOND, Earl of Minto and Viscount Melgund of Melgund, County of Forfar, in the Peerage of the United Kingdom, Baron Minto of Minto, County of Roxburgh, in the Peerage of Great Britain, Baronet of Nova Scotia, Knight Grand Cross of Our Most Distinguished Order of St. Michael and St. George, etc., etc., Governor General of Canada.

ORDER IN COUNCIL.

EXTRADITION TREATY—NETHERLANDS.

Osborne House, Isle of Wight, 2nd February, 1899.

AT the Court at *Osborne House, Isle of Wright*, the 2nd day of *February*, 1899.

PRESENT :

The QUEEN'S Most Excellent Majesty.

Lord President.	Duke of Marlborough.
Lord Privy Seal.	Earl of Kintore.

WHEREAS by The Extradition Acts, 1870 to 1895, it was amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, Her Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State ; and that Her Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient.

And whereas a Treaty was concluded on the twenty-sixth day of September, one thousand eight hundred and ninety-eight, between Her Majesty and the Queen of the Netherlands, for the mutual extradition of fugitive criminals, which Treaty is in the terms following :—

" HER Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, and Her Majesty the Queen of the Netherlands, having mutually resolved to conclude a new Treaty for the extradition of criminals, the said High Contracting Parties have named as their Plenipotentiaries to conclude a Treaty for this purpose, that is to say :

" Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, the Most Honourable Robert Arthur Talbot Gascoyne Cecil, Marquess of Salisbury, Earl of Salisbury, Viscount Cranborne, Baron Cecil, Peer of the United Kingdom, Knight of the Most Noble Order of the Garter, Member of Her Majesty's Most Honourable Privy Council, Her Majesty's Principal Secretary of State for Foreign Affairs, &c., &c. ;

" And Her Majesty the Queen of the Netherlands, Alexander William Baron Schimmelpenninck van der Oye, Chargé d'Affaires, *ad interim*, of the Netherlands in London, Knight of the Order of Orange Nassau, &c., &c. ;

" Who, having communicated to each other their respective full powers, found in good and due form, have agreed upon and concluded the following Articles :—

" ARTICLE I.

" The High Contracting Parties engage to deliver up to each other those persons who, being accused or convicted of a crime or offence committed in the territory of the one Party, shall be found within the territory of the other Party, under the circumstances and conditions stated in the present Treaty.

" ARTICLE II.

" The crimes or offences for which the extradition is to be granted are the following :—

" 1. Murder, including infanticide, or attempt, or conspiracy to murder, including such crimes when directed against the Sovereign, his heir, or any other person whomsoever, provided that the crime is not of a political character.

" 2. Manslaughter, including the manslaughter of a child.

" 3. Assault occasioning actual bodily harm.

" 4. Maliciously wounding or inflicting grievous bodily harm.

" 5. Counterfeiting or altering money, or uttering counterfeit or altered money.

" 8. Malicious injury to property if the offence be indictable.

" 9. Obtaining money, goods, or valuable securities by false pretences.

" 10. Crimes against bankruptcy law.

" 11. Perjury, or subornation of perjury.

" 12. Rape.

" 13. Carnal knowlege, or any attempt to have any carnal knowledge, of a girl under 16 years of age.

" 14. Indecent assault.

" 15. Administering drugs, or using instruments with intent to procure the miscarriage of a woman.

" 16. Abduction.

" 17. Child stealing.

" 19. Burglary or house-breaking.

" 20. Arson.

" 21. Robbery with violence.

" 22. Any malicious act done with intent to endanger the safety of a railway train.

" 26. Assaults on board a ship on the high seas, with intent to destroy life, or do grievous bodily harm.

" 27. Revolt by two or more persons on board a ship on the high seas, against the authority of the master.

" 28. Dealing in slaves in such a manner as to constitute a criminal offence against the laws of both States.

" Extradition is also to be granted for participation in any of the aforesaid crimes, provided such participation be an extradition crime by the laws of the State applied to.

" In the foregoing cases extradition shall take place only when the crime, if committed within the jurisdiction of the country on which the claim for surrender is made, would constitute an extradition crime by the laws of that country.

" Extradition may also be granted at the discretion of the State applied to in respect of any other crime for which, according to the laws of both the contracting parties for the time being in force, the grant can be made.

" ARTICLE III.

" Either Government may, in its absolute discretion, refuse to surrender its own subjects to the other Government.

" ARTICLE IV.

" The extradition shall not take place if the person claimed on the part of the British Government, or the person claimed on the part of the Netherland Government, has already been tried and discharged or punished, or is actually upon his trial, within the territory of the other of the two High Contracting Parties, for the crime for which his extradition is demanded.

"If the person claimed on the part of the British Government, or if the person claimed on the part of the Netherland Government, should be under examination, or is undergoing sentence under a conviction, for any other crime within the territories of the two High Contracting Parties respectively, his extradition shall be deferred until after he has been discharged, whether by acquittal or on expiration of his sentence, or otherwise.

"ARTICLE V.

"The extradition shall not take place if, subsequently to the commission of the crime, or the institution of the penal prosecution or the conviction thereon, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applied to.

"ARTICLE VI.

"A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or if he prove that the requisition for his surrender has in fact been made with a view to try or punish him for an offence of a political character.

"ARTICLE VII.

"A person surrendered may in no case be kept in prison, or be brought to trial in the State to which the surrender has been made, for any other crime, or on account of any other matters, than those for which the extradition shall have taken place, until he has been restored, or had an opportunity during one month of returning, to the State by which he has been surrendered.

"This stipulation does not apply to crimes committed after the extradition.

"ARTICLE VIII.

"The requisition for extradition shall be made through the Diplomatic Agents of the High Contracting Parties respectively.

"The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

"If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

"A sentence passed *in contumaciam* is not to be deemed a conviction, but a person so sentenced may be dealt with as an accused person.

"ARTICLE IX.

"If the requisition for extradition be in accordance with the foregoing stipulations, the competent authorities of the State applied to shall proceed to the arrest of the fugitive.

"ARTICLE X.

"Pending the presentation of the demand for extradition through the Diplomatic channel a fugitive criminal may be apprehended under a warrant issued by any Police Magistrate, Justice of the Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings, as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed or the person convicted in that part of the dominions of the two Contracting Parties in which the Magistrate, Justice of the Peace, or other competent authority exercises jurisdiction; provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Magistrate. He shall, in accordance with this article, be discharged, as well in the Netherlands as in the United Kingdom, if within the term of twenty days a requisition for extradition shall not have been made by the Diplomatic Agent of the demanding country in accordance with the stipulations of this Treaty. The same rule shall apply to the cases of persons accused or convicted of any of the crimes or offences specified in this Treaty, and committed on the high seas on board any vessel of either country which may come into a port of the other.

"ARTICLE XI.

"If the fugitive have been arrested in the British dominions he shall forthwith be brought before a competent Magistrate, who is to examine him, and to conduct the preliminary investigation of the case, just as if the apprehension had taken place for a crime committed in the British dominions.

"In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the British dominions shall admit as valid evidence depositions or statements on oath or the affirmations of witnesses taken in the Netherlands, or copies thereof, and likewise the warrants and sentences issued therein, and certificates of, or judicial documents stating the fact of, a conviction, provided the same are authenticated as follows:—

"1. A warrant must purport to be signed by a Judge, Magistrate, or officer of the Netherlands.

"2. Depositions, or affirmations, or the copies thereof, must purport to be certified, under the hand of a Judge, Magistrate, or officer of the Netherlands, to be the original depositions or affirmations, or to be true copies thereof, as the case may require.

"3. A certificate of, or judicial document stating the fact of, a conviction must purport to be certified by a Judge, Magistrate, or officer of the Netherlands.

"4. In every case such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated either by the oath of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of State of the Netherlands; but any other mode of authentication for the time being permitted by the law in that part of the British dominions where the examination is taken may be substituted for the foregoing.

"ARTICLE XII.

"If the fugitive have been arrested in the dominions of the Netherlands the officer of justice shall prefer a requisition within three days after the arrest, or, if the arrest have not taken place, or if it have taken place prior to the application for extradition, then within three days after the receipt of authority for that purpose from the Netherland Government in order that the person claimed may be interrogated by the Court, and that it may express its opinion as to the grant or refusal of extradition.

"Within fourteen days after the interrogatory the Court shall forward its opinion and its decision, with the papers in the case to the Minister of Justice.

"The extradition shall only be granted on the production, either in original or in authenticated copy—

"1. Of a conviction; or,

"2.—(*a.*) Of a warrant of arrest (which, by the law of the British dominions, is the only document which is granted when it is adjudged upon evidence taken on oath that the accused ought to be taken into custody), issued in the form prescribed by British law, and indicating the offence in question sufficiently to enable the Netherland Government to decide whether is constitutes, in contemplation of Netherland law, a case provided for by the present Treaty; and,

(*b.*) Of the evidence.

"In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the Netherland dominions shall admit as valid evidence depositions or statements on oath, or the affirmations of witnesses taken in the British dominions, or copies thereof, and likewise the warrants and sentences issued therein, and certificates of, or judicial documents stating the fact of, a conviction, provided the same are authenticated as follows :—

“ 1. A warrant must purport to be signed by a Judge, Magistrate, or officer of the British dominions.

“ Depositions of affirmations, or the copies thereof, must purport to be certified under the hand of a Judge, Magistrate, or officer of the British dominions, to be the original depositions or affirmations, or to be true copies thereof, as the case may require.

“ 3. A certificate of, or judical document stating the fact of, a conviction, must purport to be certified by a Judge, Magistrate or officer of the British dominions.

“ 4. In every case such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated either by the oath of some witness, or by being sealed with the official seal of one of the Principal Secretaries of State, or some other Minister of State of the British dominions, but any other mode of authentication for the time being permitted by law in that part of the dominions of the Netherlands where the examination is taken may be substituted for the foregoing.

“ ARTICLE XIII.

“ The extradition shall not take place unless the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial, if the crime had been committed in the territory of the said State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition, and that the crime of which he has been convicted is one in respect of which extradition could, at the time of such conviction, have been granted by the State applied to. The fugitive criminal shall not be surrendered until the expiration of fifteen days from the date of his being committed to prison to await his surrender.

“ ARTICLE XIV.

“ If the individual claimed by one of the two High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other powers, on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to that State whose demand is earliest in date.

“ ARTICLE XV.

“ All articles seized which were in the possession of the person to be surrendered, at the time of his apprehension, shall, if the competent authority of the State applied to for the extradition has ordered the delivery thereof, be given up when the extradition takes place, and the said delivery shall extend not merely to the stolen articles but to everything that may serve as a proof of the crime.

“ ARTICLE XVI.

“ The respective Governments mutually renounce all claim for the repayment of expenses incurred by them in the arrest and maintenance and transport of the person to be surrendered, and all other expenses which may be incurred within the limits of their respective territories until the person to be surrendered is placed on board ship, together with the expenses of giving up and returning all seized articles and of sending and returning the papers containing proof of the crime, or other documents, and they reciprocally agree to bear all such expenses themselves.

“ The above stipulations, however, shall not apply to extradition to and from Canada, as regards which Colony all the expenses shall be borne by the demanding State

“ The person to be extradited shall be sent to the port which the Diplomatic or Consular Agent of the demanding State shall indicate.

“ ARTICLE XVII.

“ If in any criminal matter pending in any Court or Tribunal of one of the two countries it is thought desirable to take the evidence of any witness in the other, such evidence may be taken by the judicial authorities in accordance with the laws in force on this subject in the country where the witness may be ; and any expenses incurred in taking such evidence shall be defrayed by the country in which it is taken.

“ ARTICLE XVIII.

“ The stipulations of the present Treaty shall apply to the Colonies and foreign possessions of the two High Contracting Parties, but being based upon the legislation of the mother country, shall only be observed on either side so far as they may be compatible with the laws in force in those Colonies or possessions.

“ The demand for the extradition of an offender who has taken refuge in a Colony or foreign possession of either Contracting Party may also be made directly to the Governor or principal functionary of that Colony or possession by the Governor or principal functionary of a Colony or possession of the other Contracting Party when the two Colonies or foreign possessions are situated in Asia, Australia (including New Zealand and Tasmania), the Pacific and Indian Oceans, or South or East Africa.

“ The same rule shall be followed if the two Colonies or foreign possessions are situated in America (including the West India Islands.)

“ The said Governors or principal functionaries shall have the power either of granting the extradition or of referring the question to their Government.

“ In all other cases, the demand for extradition shall be made through the Diplomatic channel.

“ The period of provisional arrest provided for in article X shall for the purposes of this article be extended to sixty days.

“ ARTICLE XIX.

“ From the day when the present Treaty shall come into force the Treaty of Extradition between the two countries of the 19th June, 1874, shall cease to have effect ; but the present Treaty shall apply to all crimes within the Treaty, whether committed before or after the day when it comes into force.

“ ARTICLE XX.

“ The present Treaty shall be ratified, and the ratifications shall be exchanged as soon as possible.

“ The Treaty shall come into force three months after the exchange of the ratifications. It may be terminated by either of the High Contracting Parties at any time on giving to the other six months' notice of its intention to do so.

“ In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seal of their arms.

“ Done in duplicate at London, this 26th day of September, 1898.

SALLE DU SÉNAT,

Ottawa, jeudi, 16 mars 1899.

Aujourd'hui, à Trois heures P.M., Son Excellence le Gouverneur Général s'est rendu, avec le cérémonial ordinaire, à la Chambre du Sénat, dans l'édifice du Parlement, et a pris son siège sur le Trône. Les membres du Sénat s'étant assemblés, il a plu à Son Excellence d'y faire requérir la présence de la Chambre des Communes, et cette Chambre s'y étant rendue, Son Excellence a ouvert la Quatrième Session du Huitième Parlement de la Puissance du Canada, par le discours suivant :—

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

En vous rencontrant pour la première fois depuis que je suis entré en fonctions, comme représentant de Sa Majesté au Canada, il me fait grandement plaisir de pouvoir vous féliciter sur la prospérité très considérable dont jouit maintenant le peuple du Canada, comme le témoignent l'expansion du commerce, la condition florissante du revenu public et le nombre croissant d'immigrants qui sont devenus colons permanents au milieu de nous. A ces preuves de prospérité vient s'en joindre une autre qui est encore plus satisfaisante : l'arrêt presque complet du mouvement d'expatriation de notre population qui fut naguère un trait regrettable de notre état social.

Les négociations engagées durant les vacances entre le Gouvernement de Sa Majesté et celui des Etats-Unis relativement au règlement de certaines difficultés pendantes entre le Canada et le pays voisin, ont été, je regrette de le dire, beaucoup retardées par la maladie et ensuite par la mort de deux des membres les plus éminents de la Commission chargée de cette affaire. On en était arrivé à une entente sur plusieurs des points en litige, lorsqu'une divergence de vues se produisit entre les Commissaires de Sa Majesté et ceux des Etats-Unis sur la question de la délimitation de la frontière entre le Canada et l'Alaska ; cette question fut référée par les Commissaires à leurs Gouvernements respectifs et la Commission s'ajourna au deuxième jour d'août prochain, avec l'espoir que dans l'intervalle, cette difficulté pourra être aplanie.

Conformément à l'Acte passé à la dernière session la question de la Prohibition a été soumise à un plébiscite ; le résultat officiel de la votation vous sera soumis.

Je remarque avec plaisir que la mère patrie, le Canada et les autres possessions britanniques ont adopté le taux commun d'un penny pour le port des lettres. La satisfaction avec laquelle cette mesure a été accueillie par le peuple canadien est une nouvelle preuve du désir qui existe parmi la population en général, de voir l'établissement de rapports plus intimes entre la mère patrie et les autres parties de l'Empire.

Je suis en outre heureux de pouvoir constater que l'état prospère des finances du pays a permis de réduire de trois à deux cents le taux du port des lettres à l'intérieur du Canada, à dater du premier janvier dernier ; bien que cette réduction doive entraîner une diminution temporaire du revenu, il y a lieu, cependant, d'espérer que le taux ainsi diminué sera d'une telle utilité pour l'avancement des affaires et l'échange général de correspondance, que dans un avenir assez rapproché, les revenus du département des Postes atteindront leur ancien chiffre.

Depuis la dernière session, on a obtenu d'amples renseignements sur l'étendue et la valeur des gisements d'or et de minéraux précieux dans le Yukon et autres parties du Canada. Les revenus provenant du Yukon ont été, jusqu'à ce jour, assez considérables pour faire face aux fortes dépenses qu'il a fallu encourir pour faire respecter la loi et maintenir l'ordre ; et il a été jugé à propos, dans l'intérêt général, d'autoriser la construction d'une ligne télégraphique dans le but d'établir des communications rapides avec la population de ces territoires éloignés.

Une mesure à l'effet d'établir une meilleure délimitation des districts électoraux du Canada, ainsi que plusieurs projets de loi de moindre importance, vous seront soumis.

Messieurs de la Chambre des Communes :

Les comptes publics seront soumis à votre examen, ainsi que les estimations budgétaires pour l'année prochaine ; elles ont été préparées en tenant soigneusement compte des besoins du service public, de l'économie et des responsabilités imposées par les progrès rapides du pays.

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

Je suis persuadé que les importants sujets que je viens de mentionner mériteront vos sérieuses études et que vos efforts les plus énergiques auront pour but de favoriser les intérêts publics et la prospérité du Canada.

Par ordre,

Château d'Osborne, Ile de Wight, 2 février 1899.

A la Cour, au château d'Osborne, Ile de Wight, le 2e jour de février 1899.

PRÉSENTS :

Sa Très Excellente Majesté la REINE.

Le lord Président.	Le duc de Marlborough.
Le lord du Sceau Privé.	Le comte de Kintore.

CONSIDÉRANT que par les *Actes d'extradition*, 1870 et 1895, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat de criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables.

Et considérant qu'un traité a été conclu le vingt-sixième jour de septembre mil huit cent quatre-vingt-dix-huit, entre Sa Majesté et la Reine des Pays-Bas, pour l'extradition mutuelle de criminels fugitifs, lequel est rédigé comme suit :—

" Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, Impératrice de l'Inde, et Sa Majesté la Reine des Pays-Bas, ayant décidé mutuellement de conclure un nouveau traité pour l'extradition de criminels, les dites hautes parties contractantes ont en conséquence nommé comme leurs plénipotentiaires—

“Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, Impératrice de l'Inde, le Très Honorable Robert Arthur Talbot Gascoyne Cecil, marquis de Salisbury, comte de Salisbury, vicomte Cranborne, baron Cecil, paire du Royaume-Uni, chevalier du Très Noble Ordre de la Jarretière, membre du Très Honorable Conseil privé de Sa Majesté, Principal Secrétaire d'Etat de Sa Majeste pour les Affaires étrangères, etc., etc. ;

“Et Sa Majesté la Reine des Pays-Bas, Alexander William Baron Schimmelpenninck van der Oye, chargé d'affaires *ad interim* des Pays-Bas à Londres, chevalier de l'Ordre Orange-Nassau, etc., etc. ;

“Lesquels après s'être communiqués leurs pleins pouvoirs respectifs, trouvés en bonne et due forme, ont arrêté et conclu les articles suivants: —

“ARTICLE I.

“Les hautes parties contractantes s'engagent à se livrer réciproquement, dans les circonstances et sous les conditions prévues par le présent traité, les individus qui, poursuivis ou condamnés pour un crime ou délit commis sur le territoire de l'une des parties, seront trouvés sur le territoire de l'autre.

“ARTICLE II.

“Les crimes et délits pour lesquels l'extradition sera accordée sont les suivants :—

“L'extradition aura également lieu pour complicité d'un des crimes ci-dessus mentionnés, pourvu que la complicité soit punissable par les lois de l'Etat requis.

“Dans le cas ci-dessus l'extradition n'aura lieu que si le crime qui est commis dans la juridiction du pays requis, constitue un crime sujet à l'extradition d'après les lois de ce pays.

“Il dépendra de l'Etat requis d'accorder également l'extradition pour tout autre crime à raison duquel l'extradition peut avoir lieu d'après les lois en vigueur des deux parties contractantes.

“ARTICLE III.

“Chacun des deux gouvernements aura liberté pleine et entière de refuser à l'autre l'extradition de ses propres sujets.

“ARTICLE IV.

“L'extradition ne sera pas accordée si l'individu réclamé par le gouvernement britannique ou l'individu réclamé par le gouvernement des Pays-Bas a déjà été jugé, acquitté ou puni, ou se trouve encore sous jugement dans le territoire de l'autre des deux hautes parties contractantes, pour le crime à raison duquel l'extradition est demandée.

“Si la personne réclamée par le gouvernement britannique ou par celui du gouvernement des Pays-Bas est en état de prévention, ou subit une peine après condamnation dans les territoires des deux hautes parties contractantes, pour un autre crime, son extradition sera différée jusqu'à la conclusion de son procès, et qu'elle ait purgé la peine qui lui aura été infligée.

“ARTICLE V.

“L'extradition n'aura pas lieu si depuis la perpétration du crime, les poursuites ou la condamnation, la prescription des poursuites ou de la peine est acquise d'après les lois du pays auquel la demande est adressée.

“ARTICLE VI.

“Le criminel fugitif ne sera pas extradé si le délit pour lequel l'extradition est demandée est considéré comme un délit politique, ou si l'individu prouve que la demande d'extradition a été faite en réalité dans le but de le poursuivre ou de le punir pour un délit d'un caractère politique.

“ARTICLE VII.

“L'individu qui aura été livré ne pourra, en aucun cas, dans le pays auquel l'extradition a été accordée, être maintenu en état d'arrestation ou poursuivi pour aucun crime ou faits autres que ceux qui avaient motivé l'extradition, à moins qu'il n'ait été réintégré, ou n'ait eu l'occasion de retourner de lui-même dans l'Etat qui l'avait extradé.

“Cette stipulation n'est pas applicable aux crimes commis après l'extradition.

“ARTICLE VIII.

“L'extradition sera demandée par la voie des agents diplomatiques des hautes parties contractantes respectivement.

“La demande d'extradition d'un prévenu devra être accompagnée d'un mandat d'arrêt décerné par l'autorité compétente de l'Etat requérant, et des preuves qui, d'après les lois de l'endroit où le prévenu a été trouvé, justifieraient son arrestation si l'acte punissable y avait été commis.

“Si la demande d'extradition concerne une personne déjà condamnée, elle doit être accompagnée de l'arrêt de condamnation qui a été rendu contre le coupable par le tribunal compétent de l'Etat requérant.

“Un arrêt rendu par contumace ne sera pas considéré comme une condamnation, mais une personne ainsi condamnée pourra être traitée comme une personne accusée.

" ARTICLE IX.

" Si la demande d'extradition s'accorde avec les stipulations précédentes, les autorités compétentes de l'État requis procèderont à l'arrestation du fugitif.

" ARTICLE X.

" En attendant la présentation de la demande d'extradition par la voie diplomatique, un criminel fugitif pourra être arrêté en vertu d'un mandat émis par tout magistrat de police, juge de paix, ou autre autorité compétente dans l'un ou l'autre pays, sur telle information ou plainte et preuve, ou après telles procédures qui, dans l'opinion de l'autorité qui émet le mandat, justifieraient l'émission d'un mandat si le crime avait été commis ou si la personne avait été trouvée coupable dans cette partie des possessions des deux parties contractantes dans laquelle le magistrat, juge de paix ou autre autorité compétente a juridiction : pourvu, toutefois, que dans le Royaume-Uni, l'accusé sera, dans chaque cas, envoyé aussitôt que possible devant un magistrat. Le criminel sera, en conformité du présent article, libéré, tant dans les Pays-Bas que dans le Royaume-Uni, si, dans le délai de vingt jours, une demande d'extradition n'est pas faite par l'agent diplomatique de son pays, en conformité des stipulations du présent traité.

" La même règle s'appliquera dans le cas de personnes accusées ou trouvées coupables d'aucun des crimes ou délits spécifiés au présent traité, et commis sur la haute mer à bord d'un navire appartenant à l'un quelconque des deux pays, qui arrivera dans le port de l'autre.

" ARTICLE XI.

" Si le fugitif a été arrêté dans les possessions britanniques, il sera sans délai amené devant un magistrat compétent, qui l'examinera, et qui conduira l'enquête préliminaire de la cause, de la même manière que si l'arrestation avait eu lieu pour un crime commis dans les possessions britanniques.

" Les autorités des possessions britanniques, quand elles procèderont à l'examen établi par les stipulations précédentes, devront admettre comme preuves entièrement valables les dépositions assermentées ou les affirmations faites dans les Pays-Bas, ou les copies de ces pièces, de même que les mandats d'arrêt et les sentences rendues dans ce pays, ainsi que les certificats de condamnation ou les pièces judiciaires constatant le fait d'une condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante :—

" 1. Un mandat doit être signé par un juge, magistrat, ou officier des Pays-Bas.

" 2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat, ou officier des Pays-Bas, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.

" 3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat, ou officier des Pays-Bas.

" 4. Ces mandats, dépositions, affirmations, copies, certificats ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel et la légalisation du ministre de la Justice, ou quelque autre ministre des Pays-Bas ; cependant, les pièces sus-énoncées pourront être rendues authentiques de toute autre manière qui serait reconnue par les lois locales en vigueur dans cette partie des possessions britanniques où l'examen de l'affaire aura lieu.

ARTICLE XII.

" Si le fugitif a été arrêté dans les possessions des Pays-Bas, l'officier de justice fera une réquisition sous les trois jours après l'arrestation, ou, si l'arrestation n'a pas eu lieu, ou si elle a eu lieu antérieurement à la demande d'extradition, alors sous les trois jours après avoir été autorisé à cette fin par le gouvernement des Pays-Bas, afin que la personne réclamée puisse être interrogée par le tribunal, et que ce dernier puisse se prononcer pour ou contre l'extradition.

" Sous quatorze jours après l'interrogatoire le tribunal transmettra son opinion et sa décision, avec les documents relatifs à la cause, au ministre de la Justice.

" L'extradition ne sera accordée que sur la production, soit de l'original, soit d'une copie vidimée—

" 1. D'une condamnation ; ou,

" 2.—(*a*) D'un mandat d'arrestation (qui, d'après la loi des possessions britanniques, est le seul document qui est accordé lorsqu'il est jugé sur preuve sous serment que l'accusé devrait être arrêté), émis en la forme prescrite par la loi britannique, et indiquant le délit en question assez clairement pour permettre au gouvernement des Pays-Bas de décider si ce délit constitue vis-à-vis de la loi des Pays-Bas, un cas prévu par le présent traité ; et,

" (*b*) De la preuve.

" Les autorités des possessions néerlandaises, quand elle procéderont à l'examen établi par les stipulations précédentes, devront admettre comme preuves entièrement valables les dépositions assermentées ou les affirmations faites dans les possessions britanniques, ou les copies de ces pièces, de même que les mandats d'arrêt et les sentences rendues dans ce pays, ainsi que les certificats de condamnation ou les pièces judiciaires constatant le fait d'une condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante :—

" 1. Un mandat doit être signé par un juge, magistrat, ou officier des possessions britanniques.

" 2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat, ou officier des possessions britanniques, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.

" 3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat, ou officier des possessions britanniques.

" 4. Ces mandats, dépositions, affirmations, copies, certificats ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel et la légalisation de l'un des Principaux Secrétaires d'Etat, ou quelque autre ministre d'État des possessions britanniques ; cependant, les pièces sus-énoncées pourront être rendues authentiques de toute autre manière qui serait reconnue par les lois locales en vigueur dans les possessions des Pays-Bas où l'examen de l'affaire aura lieu.

" ARTICLE XIII.

" L'extradition n'aura lieu que dans le cas où les preuves fournies auront été trouvées suffisantes d'après les lois de l'Etat requis, soit pour justifier la mise sous jugement du prisonnier, dans le cas où le crime aurait été commis sur le territoire du dit Etat, soit pour constater l'identité du prisonnier avec l'individu condamné par les tribunaux de l'Etat requérant, et prouver que le crime dont il a été reconnu coupable aurait pu causer son extradition par l'Etat requis à l'époque de sa condamnation ; et l'extradition d'un criminel n'aura lieu qu'à l'expiration d'un terme de quinze jours à dater de son emprisonnement en vue de l'extradition.

" ARTICLE XIV.

" Si l'individu réclamé par l'une des deux hautes parties contractantes, en exécution du présent traité, est aussi réclamé par une ou plusieurs autres puissances, du chef d'autres crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat dont la demande est la plus ancienne en date.

" ARTICLE XV.

" Tous les objets saisis en la possession de l'individu réclamé au moment de son arrestation seront, si l'autorité compétente de l'Etat requis en a ordonné la remise, livrés lorsque l'extradition aura lieu ; cette remise ne comprendra pas seulement les objets volés, mais encore tout ce qui peut servir de pièce de conviction.

"ARTICLE XVI.

" Les gouvernements respectifs renoncent mutuellement à toute réclamation pour le remboursement des dépenses encourues par eux dans l'arrestation et l'entretien et transport de l'individu à extrader, et toutes autres dépenses qui peuvent être encourues dans les limites de leurs territoires respectifs jusqu'à ce que l'individu réclamé soit mis à bord d'un navire, ainsi que les dépenses encourues pour donner et retourner les documents contenant la preuve du crime, ou autres documents, et ils consentent réciproquement à supporter toutes ces dépenses eux-mêmes.

" Toutefois, les stipulations ci-dessus ne s'appliqueront pas à l'extradition du et au Canada, vu qu'à l'égard de cette colonie toutes les dépenses seront à la charge de l'Etat requérant.

" L'individu à extrader sera envoyé au port qu'indiquera l'agent diplomatique ou consulaire de l'Etat requérant.

"ARTICLE XVII.

" Si dans une cause criminelle pendante dans une cour ou un tribunal de l'un des deux pays il est jugé à propos de prendre le témoignage d'un témoin quelconque dans l'autre pays, ce témoignage pourra être reçu par les autorités judiciaires, conformément aux lois en force à ce sujet dans le pays où se trouve le témoin ; et toutes dépenses encourues pour prendre ce témoignage seront à la charge du pays où ce témoignage est pris.

"ARTICLE XVIII.

" Les stipulations du présent traité s'appliqueront aux colonies et possessions étrangères des deux hautes parties contractantes, mais, étant basées sur la législation de la mère-patrie, elles ne seront observées des deux côtés qu'en tant que faire se pourra d'après les lois en force dans ces colonies ou possessions.

" La demande d'extradition d'un délinquant qui s'est refugié dans une colonie ou possession étrangère de l'une ou l'autre partie contractante peut aussi être faite directement au gouverneur ou principal fonctionnaire de cette colonie ou possession par le gouverneur ou principal fonctionnaire d'une colonie ou possession de l'autre partie contractante lorsque les deux colonies ou possessions étrangères sont situées en Asie, en Australie (y compris la Nouvelle-Zélande et la Tasmanie), l'océan Pacifique et la mer de Chine, ou dans l'Afrique du Sud ou de l'Est.

" La même règle sera suivie si les deux colonies ou possessions étrangères sont situées en Amérique (y compris les Antilles).

" Les dits gouverneurs ou principaux fonctionnaires auront le pouvoir soit d'accorder l'extradition soit de renvoyer la question à leur gouvernement.

" Dans tous les autres cas, la demande d'extradition sera faite par la voie diplomatique.

" La période d'arrestation provisoire établie par l'article X sera, pour les fins du présent article, prolongée à soixante jours.

"ARTICLE XIX.

" A compter du jour où le présent traité deviendra en force le traité d'extradition conclu entre les deux pays le 19 juin 1874, cessera son effet ; mais le présent traité s'appliquera à tous les crimes couverts par le traité, qu'ils aient été commis avant ou après le jour de son entrée en force.

"ARTICLE XX.

" Le présent traité sera ratifié, et les ratifications seront échangées aussitôt que possible.

" Le traité sera exécutoire trois mois après l'échange des ratifications. Chacune des hautes parties contractantes pourra en tout temps mettre fin au traité en donnant à l'autre un avis de six mois.

" En foi de quoi les plénipotentiaires respectifs ont signé le présent traité, et y ont apposé le cachet de leurs armes.

" Fait en double à Londres, ce 26e jour de septembre 1898.

" SALISBURY,
" SCHIMMELPENNINCK v. D. OYE."

Et attendu que les ratifications du dit traité ont été échangées à Londres le quatorzième jour de décembre mil huit cent quatre-vingt-dix-huit.

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné, que le et après le quatorzième jour de mars mil huit cent quatre-vingt-dix-neuf, les dits actes s'appliqueront dans le cas des Pays-Bas, et du dit traité avec la Reine des Pays-Bas.

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits actes sera suspendue dans la Puissance du Canada, tant que les dispositions de l'acte canadien de 1886 intitulé "Acte concernant l'extradition des criminels fugitifs," resteront en vigueur, et pas plus longtemps.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que par l'article 245 de "l'Acte des douanes" (tel que modifié) il est statué comme suit :—

" 245. Le Gouverneur en conseil pourra faire de temps à autre, et en la manière prescrite plus bas, en sus des objets et matières mentionnés au présent acte, des règlements relatifs aux objets et matières qui suivent :—

(*i*) Pour proroger, soit par règlements généraux, soit par des ordres spéciaux, les délais pour la sortie des marchandises entreposées, et pour la mutation des marchandises en entrepôt d'un port ou d'un endroit à un autre."

A ces causes il plaît à Son Excellence, en vertu de l'autorité dont il est revêtu, et par et avec l'avis du Conseil privé de la Reine pour le Canada, de faire les règlements d'entreposage suivants, et ils sont par le présent faits et établis en conséquence, savoir :—

RÈGLEMENTS D'ENTREPOSAGE.

1. Le délai fixé pour acquitter les vins et les spiritueux entrés dans un entrepôt et y restant pendant deux ans, pourra être prorogé par le ministre des Douanes pour une autre période n'excédant pas trois ans, si le droit est payé et la déclaration faite pour tout déficit trouvé dans le contenu des colis tels que premièrement entreposés.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que l'acte du parlement du Canada, 48-49 Victoria, chapitre 50, statue que " tous les terrains de la Couronne dans le Manitoba que l'on pourra démontrer, à la satisfaction du gouvernement fédéral, être des terrains marécageux, seront transférés à la province pour son propre usage et avantage " ;

Et attendu que conformément au dit acte, et à l'effet de mettre ses dispositions à exécution, un arrêté en conseil a été passé le 19 de juin 1886, définissant comme suit le mode de choisir les terrains :

" Toutes les subdivisions légales dont la plus grande partie est sujette à être inondée, et par là rendue impropre à la culture, seront comprises dans la liste, mais lorsque la plus grande partie de la subdivision n'est pas de cette nature, toute la subdivision en sera exclue." (La subdivision légale d'après le système d'arpentage des Etats-Unis de même que d'après le système canadien, se compose de quarante acres.)

Et attendu que l'expérience a démontré qu'il vaudra mieux dans l'intérêt du gouvernement fédéral que du gouvernement provincial, et que le progrès sera plus satisfaisant si les terres sont choisies par étendues d'au moins un quart de section au lieu d'une subdivision légale,—

A ces causes il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner, que la clause 3 de l'arrêté en conseil du 19 de juin 1886 soit et elle est par le présent cancellée et remplacée par ce qui suit :—

" Les terres à choisir seront composées d'étendues d'au moins un quart de section, dont la plus grande partie est sujette à être inondée, et par là rendue impropre à la culture, mais lorsque la plus grande partie d'un quart de section n'est pas de cette nature, alors aucune partie de l'étendue ne sera comprise dans la liste des terrains marécageux."

ATTENDU que le Conseil Exécutif de la province du Manitoba a passé un arrêté à l'effet d'ouvrir un nouveau chemin sur le quart nord-est de la section 13, township 5, rang 7, la moitié ouest de la section 3 et la moitié ouest et le quart sud-est de la section, 9, dans le township 6, rang 7 à l'ouest du 1er méridien, et le dit Conseil a, par la voie du Secrétariat d'Etat, déposé une copie de l'arrêté (ci-jointe) ainsi que le plan qui l'accompagne ;

Et considérant que l'arrêté énonce que ce chemin est nécessaire et recommandable pour les fins d'établissement et de colonisation et pour la commodité du public, et demande qu'il soit confirmé par le Gouverneur en conseil,—

A ces causes il plaît à Son Excellence, vu qu'il n'apparaît pas d'objection à ce chemin, par et avec l'avis du Conseil privé de la Reine pour le Canada, de consentir à l'ouverture du dit chemin qui est colorié rose sur le plan ci-joint, et de le transférer à la Couronne pour la province du Manitoba, dans le but de servir de chemin public, tel que prévu par la clause 7 de l'acte 58-59 Victoria, chapitre 30.

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos "Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

Ordre spécial de la Chambre des Communes.

Résolu,—Que le greffier de la Chambre adresse une copie de la Règle 49 modifiée aux personnes qui signifient dans la *Gazette du Canada* leur intention de s'adresser au parlement pour la passation d'un bill privé, ainsi qu'un avis portant que la dite Règle sera strictement appliquée à l'avenir :—

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session ; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être considérées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés."

DOMINION OF CANADA.

CHAMBER OF THE SENATE,

OTTAWA, Thursday, 16th March, 1899.

This day, at THREE o'clock P.M., HIS EXCELLENCY THE GOVERNOR GENERAL proceeded in state to the Chamber of the Senate, in the Parliament Buildings, and took his seat upon the Throne. The Members of the Senate being assembled, His Excellency was pleased to command the attendance of the House of Commons, and that House being present, His Excellency was pleased to open the FOURTH SESSION of the EIGHTH PARLIAMENT OF THE DOMINION OF CANADA, with the following Speech :—

Honourable Gentlemen of the Senate:
Gentlemen of the House of Commons:

In meeting you for the first time since entering upon my duties, as the representative of Her Majesty in this Dominion, it affords me great pleasure to be able to congratulate you on the large degree of prosperity which the people of Canada at present enjoy, as evidenced by the expansion of trade and commerce, the flourishing condition of the public revenues and the increased number of immigrants who have become permanent settlers amongst us. To these evidences may be added another which is even more gratifying,—the almost total cessation of the considerable exodus of our population which at one time was a regrettable feature of our affairs.

PUISSANCE DU CANADA.

SALLE DU SÉNAT,

OTTAWA, jeudi, 16 mars 1899.

Aujourd'hui, à TROIS heures P.M., SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL s'est rendu, avec le cérémonial ordinaire, à la Chambre du Sénat, dans l'édifice du Parlement, et a pris son siège sur le Trône. Les membres du Sénat s'étant assemblés, il a plu à Son Excellence d'y faire requérir la présence de la Chambre des Communes, et cette Chambre s'y étant rendue, Son Excellence a ouvert la QUATRIÈME SESSION du HUITIÈME PARLEMENT DE LA PUISSANCE DU CANADA, par le discours suivant :—

Honorables Messieurs du Sénat :
Messieurs de la Chambre des Communes.

En vous rencontrant pour la première fois depuis que je suis entré en fonctions, comme représentant de Sa Majesté au Canada, il me fait grandement plaisir de pouvoir vous féliciter sur la prospérité très considérable dont jouit maintenant le peuple du Canada, comme le témoignent l'expansion du commerce, la condition florissante du revenu public et le nombre croissant d'immigrants qui sont devenus colons permanents au milieu de nous. A ces preuves de prospérité vient s'en joindre une autre qui est encore plus satisfaisante : l'arrêt presque complet du mouvement d'expatriation de notre population qui fut naguère un trait regrettable de notre état social.

The negotiations which were set on foot during the recess between Her Majesty's Government and that of the United States in reference to the settlement of certain questions in dispute between Canada and the latter country were, I grieve to say, greatly delayed by the illness and subsequent death of two of the most eminent members of the Commission appointed for that purpose. Considerable progress had been made on several of the subjects submitted, but a serious disagreement arose between Her Majesty's Commissioners and the Commissioners of the United States on the question of the delimitation of the Boundary between Canada and Alaska ; the question was referred by the Commissioners to their respective Governments, the Commission being adjourned to the second day of August next, in the hope that, in the meantime, the difficulty might be overcome.

In compliance with the Act passed last session a Plebiscite was held on the question of prohibition ; the official figures of the vote will be placed before you.

I observe with pleasure that the Mother Country, Canada and other British possessions have recently adopted a Penny Postage letter rate. The satisfaction with which this action has been received by the Canadian people is a further proof of the general desire existing amongst our people for closer relations with the Mother Country and the rest of the Empire.

I am also glad to be able to state that the satisfactory condition of the finances of the country permitted a reduction, on the first of January last, of the Canadian domestic letter rate, from three to two cents and although such reduction involves a temporary loss of revenue, it is nevertheless confidently expected that the cheapened rate will prove of such service in the promotion of trade and in the general interchange of correspondence that, within a reasonable time, the revenue of the Post Office Department will be restored to its former figure.

Much information has been obtained since you last met relative to the extent and value of the deposits of gold and valuable minerals in the Yukon and other parts of Canada. The returns from the Yukon have so far proved sufficient to meet the heavy expenditure it was found necessary to incur for the purpose of preserving law and order, and it has been thought expedient in the public interest to authorize the construction of a line of telegraph for the purpose of maintaining speedy communication with the people of those distant territories.

A measure will be submitted to you for the better arrangement of the electoral districts throughout the Dominion, as also several enactments of less importance.

Gentlemen of the House of Commons:

The public accounts will be laid before you, and also the estimates for the coming year. They have been prepared with a due regard to efficiency and economy, and the responsibilities arising from the rapid progress of the country.

Honourable Gentlemen of the Senate:
Gentlemen of the House of Commons:

I am confident that the important subjects I have mentioned to you will receive your serious consideration, and that it will be your earnest endeavour to promote the public interests and prosperity of Canada.

Les négociations engagées durant les vacances entre le Gouvernement de Sa Majesté et celui des Etats-Unis relativement au règlement de certaines difficultés pendantes entre le Canada et le pays voisin, ont été, je regrette de le dire, beaucoup retardées par la maladie et ensuite par la mort de deux des membres les plus éminents de la Commission chargée de cette affaire. On en était arrivé à une entente sur plusieurs des points en litige, lorsqu'une divergence de vues se produisit entre les Commissaires de Sa Majesté et ceux des Etats-Unis sur la question de la délimitation de la frontière entre le Canada et l'Alaska ; cette question fut référée par les Commissaires à leurs Gouvernements respectifs et la Commission s'ajourna au deuxième jour d'août prochain, avec l'espoir que dans l'intervalle, cette difficulté pourra être aplanie.

Conformément à l'Acte passé à la dernière session la question de la Prohibition a été soumise à un plébiscite ; le résultat officiel de la votation vous sera soumis.

Je remarque avec plaisir que la mère patrie, le Canada et les autres possessions britanniques ont adopté le taux commun d'un penny pour le port des lettres. La satisfaction avec laquelle cette mesure a été accueillie par le peuple canadien est une nouvelle preuve du désir qui existe parmi la population en général, de voir l'établissement de rapports plus intimes entre la mère patrie et les autres parties de l'Empire.

Je suis en outre heureux de pouvoir constater que l'état prospère des finances du pays a permis de réduire de trois à deux cents le taux du port des lettres à l'intérieur du Canada, à dater du premier janvier dernier ; bien que cette réduction doive entraîner une diminution temporaire du revenu, il y a lieu, cependant, d'espérer que le taux ainsi diminué sera d'une telle utilité pour l'avancement des affaires et l'échange général de correspondance, que dans un avenir assez rapproché, les revenus du département des Postes atteindront leur ancien chiffre.

Depuis la dernière session, on a obtenu d'amples renseignements sur l'étendue et la valeur des gisements d'or et de minéraux précieux dans le Yukon et autres parties du Canada. Les revenus provenant du Yukon ont été, jusqu'à ce jour, assez considérables pour faire face aux fortes dépenses qu'il a fallu encourir pour faire respecter la loi et maintenir l'ordre ; et il a été jugé à propos, dans l'intérêt général, d'autoriser la construction d'une ligne télégraphique dans le but d'établir des communications rapides avec la population de ces territoires éloignés.

Une mesure à l'effet d'établir une meilleure délimitation des districts électoraux du Canada, ainsi que plusieurs projets de loi de moindre importance, vous seront soumis.

Messieurs de la Chambre des Communes :

Les comptes publics seront soumis à votre examen, ainsi que les estimations budgétaires pour l'année prochaine ; elles ont été préparées en tenant soigneusement compte des besoins du service public, de l'économie et des responsabilités imposées par les progrès rapides du pays.

Honorables Messieurs du Sénat :
Messieurs de la Chambre des Communes :

Je suis persuadé que les importants sujets que je viens de mentionner mériteront vos sérieuses études et que vos efforts les plus énergiques auront pour but de favoriser les intérêts publics et la prospérité du Canada.

"25. Sinking or destroying a vessel at sea, or attempting to do so.

"26. Assaults on board a ship on the high seas, with intent to destroy life, or do grievous bodily harm.

"27. Revolt by two or more persons on board a ship on the high seas, against the authority of the master.

"28. Dealing in slaves in such a manner as to constitute a criminal offence against the laws of both States.

"Extradition is also to be granted for participation in any of the aforesaid crimes, provided such participation be an extradition crime by the laws of the State applied to.

"In the foregoing cases extradition shall take place only when the crime, if committed within the jurisdiction of the country on which the claim for surrender is made, would constitute an extradition crime by the laws of that country.

"Extradition may also be granted at the discretion of the State applied to in respect of any other crime for which, according to the laws of both the contracting parties for the time being in force, the grant can be made.

"ARTICLE III.

"Either Government may, in its absolute discretion, refuse to surrender its own subjects to the other Government.

"ARTICLE IV.

"The extradition shall not take place if the person claimed on the part of the British Government, or the person claimed on the part of the Netherland Government, has already been tried and discharged or punished, or is actually upon his trial, within the territory of the other of the two High Contracting Parties, for the crime for which his extradition is demanded.

"If the person claimed on the part of the British Government, or if the person claimed on the part of the Netherland Government, should be under examination, or is undergoing sentence under a conviction, for any other crime within the territories of the two High Contracting Parties respectively, his extradition shall be deferred until after he has been discharged, whether by acquittal or on expiration of his sentence, or otherwise.

"ARTICLE V.

"The extradition shall not take place if, subsequently to the commission of the crime, or the institution of the penal prosecution or the conviction thereon, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applied to.

"ARTICLE VI.

"A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or if he prove that the requisition for his surrender has in fact been made with a view to try or punish him for an offence of a political character.

"ARTICLE VII.

"A person surrendered may in no case be kept in prison, or be brought to trial in the State to which the surrender has been made, for any other crime, or on account of any other matters, than those for which the extradition shall have taken place, until he has been restored, or had an opportunity during one month of returning, to the State by which he has been surrendered.

"This stipulation does not apply to crimes committed after the extradition.

"ARTICLE VIII.

"The requisition for extradition shall be made through the Diplomatic Agents of the High Contracting Parties respectively.

"The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

" If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

" A sentence passed *in contumaciam* is not to be deemed a conviction, but a person so sentenced may be dealt with as an accused person.

" ARTICLE IX.

" If the requisition for extradition be in accordance with the foregoing stipulations, the competent authorities of the State applied to shall proceed to the arrest of the fugitive.

" ARTICLE X.

" Pending the presentation of the demand for extradition through the Diplomatic channel a fugitive criminal may be apprehended under a warrant issued by any Police Magistrate, Justice of the Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings, as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed or the person convicted in that part of the dominions of the two Contracting Parties in which the Magistrate, Justice of the Peace, or other competent authority exercises jurisdiction ; provided, however, that in the United Kingdom the accused shall, in such case, he sent as speedily as possible before a Magistrate. He shall, in accordance with this article, be discharged, as well in the Netherlands as in the United Kingdom, if within the term of twenty days a requisition for extradition shall not have been made by the Diplomatic Agent of the demanding country in accordance with the stipulations of this Treaty. The same rule shall apply to the cases of persons accused or convicted of any of the crimes or offences specified in this Treaty, and committed on the high seas on board any vessel of either country which may come into a port of the other.

" ARTICLE XI.

" If the fugitive have been arrested in the British dominions he shall forthwith be brought before a competent Magistrate, who is to examine him, and to conduct the preliminary investigation of the case, just as if the apprehension had taken place for a crime committed in the British dominions.

" In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the British dominions shall admit as valid evidence depositions or statements on oath or the affirmations of witnesses taken in the Netherlands, or copies thereof, and likewise the warrants and sentences issued therein, and certificates of, or judicial documents stating the fact of, a conviction, provided the same are authenticated as follows :—

" 1. A warrant must purport to be signed by a Judge, Magistrate, or officer of the Netherlands.

" 2. Depositions, or affirmations, or the copies thereof, must purport to be certified, under the hand of a Judge, Magistrate, or officer of the Netherlands, to be the original depositions or affirmations, or to be true copies thereof, as the case may require.

" 3. A certificate of, or judicial document stating the fact of, a conviction must purport to be certified by a Judge, Magistrate, or officer of the Netherlands.

" 4. In every case such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated either by the oath of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of State of the Netherlands ; but any other mode of authentication for the time being permitted by the law in that part of the British dominions where the examination is taken may be substituted for the foregoing.

" ARTICLE XII.

" If the fugitive have been arrested in the dominions of the Netherlands the officer of justice shall prefer a requisition within three days after the arrest, or, if the arrest have not taken place, or if it have taken place prior to the application for extradition, then within three days after the receipt of authority for that purpose from the Netherland Government in order that the person claimed may be interrogated by the Court, and that it may express its opinion as to the grant or refusal of extradition.

" Within fourteen days after the interrogatory the Court shall forward its opinion and its decision, with the papers in the case to the Minister of Justice.

" The extradition shall only be granted on the production, either in original or in authenticated copy—

" 1. Of a conviction ; or,

" 2.—(*a*.) Of a warrant of arrest (which, by the law of the British dominions, is the only document which is granted when it is adjudged upon evidence taken on oath that the accused ought to be taken into custody), issued in the form prescribed by British law, and indicating the offence in question sufficiently to enable the Netherland Government to decide whether is constitutes, in contemplation of Netherland law, a case provided for by the present Treaty ; and,

(*b*.) Of the evidence.

" In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the Netherland dominions shall admit as valid evidence depositions or statements on oath, or the affirmations of witnesses taken in the British dominions, or copies thereof, and likewise the warrants and sentences issued therein, and certificates of, or judicial documents stating the fact of, a conviction, provided the same are authenticated as follows :—

" 1. A warrant must purport to be signed by a Judge, Magistrate, or officer of the British dominions.

" Depositions of affirmations, or the copies thereof, must purport to be certified under the hand of a Judge, Magistrate, or officer of the British dominions, to be the original depositions or affirmations, or to be true copies thereof, as the case may require.

" 3. A certificate of, or judical document stating the fact of, a conviction, must purport to be certified by a Judge, Magistrate or officer of the British dominions.

" 4. In every case such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated either by the oath of some witness, or by being sealed with the official seal of one of the Principal Secretaries of State, or some other Minister of State of the British dominions, but any other mode of authentication for the time being permitted by law in that part of the dominions of the Netherlands where the examination is taken may be substituted for the foregoing.

" ARTICLE XIII.

" The extradition shall not take place unless the evidence he found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial, if the crime had been committed in the territory of the said State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition, and that the crime of which he has been convicted is one in respect of which extradition could, at the time of such conviction, have been granted by the State applied to. The fugitive criminal shall not be surrendered until the expiration of fifteen days from the date of his being committed to prison to await his surrender.

" ARTICLE XIV.

" If the individual claimed by one of the two High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other powers, on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to that State whose demand is earliest in date.

" ARTICLE XV.

" All articles seized which were in the possession of the person to be surrendered, at the time of his apprehension, shall, if the competent authority of the State applied to for the extradition has ordered the delivery thereof, be given up when the extradition takes place, and the said delivery shall extend not merely to the stolen articles but to everything that may serve as a proof of the crime.

" ARTICLE XVI.

" The respective Governments mutually renounce all claim for the repayment of expenses incurred by them in the arrest and maintenance and transport of the person to be surrendered, and all other expenses which may be incurred within the limits of their respective territories until the person to be surrendered is placed on board ship, together with the expenses of giving up and returning all seized articles and of sending and returning the papers containing proof of the crime, or other documents, and they reciprocally agree to bear all such expenses themselves.

" The above stipulations, however, shall not apply to extradition to and from Canada, as regards which Colony all the expenses shall be borne by the demanding State.

" The person to be extradited shall be sent to the port which the Diplomatic or Consular Agent of the demanding State shall indicate.

" ARTICLE XVII.

" If in any criminal matter pending in any Court or Tribunal of one of the two countries it is thought desirable to take the evidence of any witness in the other, such evidence may be taken by the judicial authorities in accordance with the laws in force on this subject in the country where the witness may be ; and any expenses incurred in taking such evidence shall be defrayed by the country in which it is taken.

" ARTICLE XVIII.

" The stipulations of the present Treaty shall apply to the Colonies and foreign possessions of the two High Contracting Parties, but being based upon the legislation of the mother country, shall only be observed on either side so far as they may be compatible with the laws in force in those Colonies or possessions.

" The demand for the extradition of an offender who has taken refuge in a Colony or foreign possession of either Contracting Party may also be made directly to the Governor or principal functionary of that Colony or possession by the Governor or principal functionary of a Colony or possession of the other Contracting Party when the two Colonies or foreign possessions are situated in Asia, Australia (including New Zealand and Tasmania), the Pacific and Indian Oceans, or South or East Africa.

" The same rule shall be followed if the two Colonies or foreign possessions are situated in America (including the West India Islands.)

" The said Governors or principal functionaries shall have the power either of granting the extradition or of referring the question to their Government.

" In all other cases, the demand for extradition shall be made through the Diplomatic channel.

" The period of provisional arrest provided for in article X shall for the purposes of this article be extended to sixty days.

" ARTICLE XIX.

" From the day when the present Treaty shall come into force the Treaty of Extradition between the two countries of the 19th June, 1874, shall cease to have effect ; but the present Treaty shall apply to all crimes within the Treaty, whether committed before or after the day when it comes into force.

" ARTICLE XX.

" The present Treaty shall be ratified, and the ratifications shall be exchanged as soon as possible.

" The Treaty shall come into force three months after the exchange of the ratifications. It may be terminated by either of the High Contracting Parties at any time on giving to the other six months' notice of its intention to do so.

" In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seal of their arms.

" Done in duplicate at London, this 26th day of September, 1898.

" SALISBURY,
" SCHIMMELPENNINCK v. d. OYE."

And whereas the ratifications of the said Treaty were exchanged at London on the fourteenth day of December, one thousand eight hundred and ninety-eight.

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, and in virtue of the authority committed to Her by the said recited Acts, doth order, and it is hereby ordered, that from and after the fourteenth day of March, one thousand eight hundred and ninety-nine, the said Acts shall apply in the case of the Netherlands, and of the said Treaty with the Queen of the Netherlands.

Provided always, that the operation of the said Acts, shall be and remain suspended within the Dominion of Canada so long as an Act of the Parliament of Canada passed in one thousand eight hundred and eighty-six, and entitled " An Act respecting the extradition of Fugitive Criminals," shall continue in force there, and no longer.

Le lord Président. | Le duc de Marlborough.
Le lord du Sceau Privé. | Le comte de Kintore.

CONSIDÉRANT que par les *Actes d'extradition*, 1870 et 1895, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat de criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables.

Et considérant qu'un traité a été conclu le vingt-sixième jour de septembre mil huit cent quatre-vingt-dix-huit, entre Sa Majesté et la Reine des Pays-Bas, pour l'extradition mutuelle de criminels fugitifs, lequel est rédigé comme suit :—

" Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, Impératrice de l'Inde, et Sa Majesté la Reine des Pays-Bas, ayant décidé mutuellement de conclure un nouveau traité pour l'extradition de criminels, les dites hautes parties contractantes ont en conséquence nommé comme leurs plénipotentiaires—

" Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, Impératrice de l'Inde, le Très Honorable Robert Arthur Talbot Gascoyne Cecil, marquis de Salisbury, comte de Salisbury, vicomte Cranborne, baron Cecil, paire du Royaume-Uni, chevalier du Très Noble Ordre de la Jarretière, membre du Très Honorable Conseil privé de Sa Majesté, Principal Secrétaire d'Etat de Sa Majesté pour les Affaires étrangères, etc., etc. ;

" Et Sa Majesté la Reine des Pays-Bas, Alexander William Baron Schimmelpenninck van der Oye, chargé d'affaires *ad interim* des Pays-Bas à Londres, chevalier de l'Ordre Orange-Nassau, etc., etc. ;

" Lesquels après s'être communiqués leurs pleins pouvoirs respectifs, trouvés en bonne et due forme, ont arrêté et conclu les articles suivants: —

" ARTICLE I.

" Les hautes parties contractantes s'engagent à se livrer réciproquement, dans les circonstances et sous les conditions prévues par le présent traité, les individus qui, poursuivis ou condamnés pour un crime ou délit commis sur le territoire de l'une des parties, seront trouvés sur le territoire de l'autre.

" ARTICLE II.

" Les crimes et délits pour lesquels l'extradition sera accordée sont les suivants :—

" 1. Meurtre, y compris infanticide, ou tentative ou conspiration pour commettre un meurtre, y compris ces crimes lorsque dirigés contre le Souverain, son héritier, ou toute autre personne que se soit, pourvu que le crime ne soit pas d'une nature politique.

" 2. Homicide sans préméditation, y compris l'homicide d'un enfant.

" 3. Voies de fait ayant occasionné des lésions corporelles graves.

" 4. Blessures ou autres lésions corporelles graves infligées avec malice.

" 8. Destruction ou dégradation de toute propriété, lorsque le fait incriminé est punissable de peines criminelles ou correctionnelles.

" 9. Escroquerie d'argent, valeurs, ou d'autres objets, sous de faux prétextes.

" 10. Banqueroute frauduleuse et fraudes commises dans les faillites.

" 11. Faux serment ou subornation de témoins.

" 12. Viol.

" 13. Commerce charnel avec une jeune fille âgée de moins de 16 ans, ou tentative de commettre ce crime.

" 24. Piraterie, d'après le droit des gens.

" 25. Saborder ou détruire un navire en mer, ou tentative ou conspiration de commettre ce crime.

" 26. Voies de fait à bord d'un navire en mer, avec intention de détruire la vie, ou de causer des lésions corporelles graves.

“ 27. Révolte, ou conspiration de révolte, par deux personnes ou plus à bord d'un navire en mer, contre l'autorité du capitaine.

“ 28. Traite des esclaves de manière à constituer un offense criminelle contre les lois des deux Etats.

“ L'extradition aura également lieu pour complicité d'un des crimes ci-dessus mentionnés, pourvu que la complicité soit punissable par les lois de l'Etat requis.

“ Dans le cas ci-dessus l'extradition n'aura lieu que si le crime qui est commis dans la juridiction du pays requis, constitue un crime sujet à l'extradition d'après les lois de ce pays.

“ Il dépendra de l'Etat requis d'accorder également l'extradition pour tout autre crime à raison duquel l'extradition peut avoir lieu d'après les lois en vigueur des deux parties contractantes.

“ ARTICLE III.

“ Chacun des deux gouvernements aura liberté pleine et entière de refuser à l'autre l'extradition de ses propres sujets.

“ ARTICLE IV.

“ L'extradition ne sera pas accordée si l'individu réclamé par le gouvernement britannique ou l'individu réclamé par le gouvernement des Pays-Bas a déjà été jugé, acquitté ou puni, ou se trouve encore sous jugement dans le territoire de l'autre des deux hautes parties contractantes, pour le crime à raison duquel l'extradition est demandée.

“ Si la personne réclamée par le gouvernement britannique ou par celui du gouvernement des Pays-Bas est en état de prévention, ou subit une peine après condamnation dans les territoires des deux hautes parties contractantes, pour un autre crime, son extradition sera différée jusqu'à la conclusion de son procès, et qu'elle ait purgé la peine qui lui aura été infligée.

“ ARTICLE V.

“ L'extradition n'aura pas lieu si depuis la perpétration du crime, les poursuites ou la condamnation, la prescription des poursuites ou de la peine est acquise d'après les lois du pays auquel la demande est adressée.

“ ARTICLE VI.

“ Le criminel fugitif ne sera pas extradé si le délit pour lequel l'extradition est demandée est considéré comme un délit politique, ou si l'individu prouve que la demande d'extradition a été faite en réalité dans le but de le poursuivre ou de le punir pour un délit d'un caractère politique.

“ ARTICLE VII.

“ L'individu qui aura été livré ne pourra, en aucun cas, dans le pays auquel l'extradition a été accordée, être maintenu en état d'arrestation ou poursuivi pour aucun crime ou faits autres que ceux qui avaient motivé l'extradition, à moins qu'il n'ait été réintégré, ou n'ait eu l'occasion de retourner de lui-même dans l'Etat qui l'avait extradé.

“ Cette stipulation n'est pas applicable aux crimes commis après l'extradition.

“ ARTICLE VIII.

“ L'extradition sera demandée par la voie des agents diplomatiques des hautes parties contractantes respectivement.

“ La demande d'extradition d'un prévenu devra être accompagnée d'un mandat d'arrêt décerné par l'autorité compétente de l'Etat requérant, et des preuves qui, d'après les lois de l'endroit où le prévenu a été trouvé, justifieraient son arrestation si l'acte punissable y avait été commis.

“ Si la demande d'extradition concerne une personne déjà condamnée, elle doit être accompagnée de l'arrêt de condamnation qui a été rendu contre le coupable par le tribunal compétent de l'Etat requérant.

“ Un arrêt rendu par contumace ne sera pas considéré comme une condamnation, mais une personne ainsi condamnée pourra être traitée comme une personne accusée.

“ ARTICLE IX.

“ Si la demande d'extradition s'accorde avec les stipulations précédentes, les autorités compétentes de l'Etat requis procèderont à l'arrestation du fugitif.

“ ARTICLE X.

“ En attendant la présentation de la demande d'extradition par la voie diplomatique, un criminel fugitif pourra être arrêté en vertu d'un mandat émis par tout magistrat de police, juge de paix, ou autre autorité compétente dans l'un ou l'autre pays, sur telle information ou plainte et preuve, ou après telles procédures qui, dans l'opinion de l'autorité qui émet le mandat, justifieraient l'émission d'un mandat si le crime avait été commis ou si la personne avait été trouvée coupable dans cette partie des possessions des deux parties contractantes dans laquelle le magistrat, juge de paix ou autre autorité compétente a juridiction ; pourvu, toutefois, que dans le Royaume-Uni, l'accusé sera, dans chaque cas, envoyé aussitôt que possible devant un magistrat. Le criminel sera, en conformité du présent article, libéré, tant dans les Pays-Bas que dans le Royaume-Uni, si, dans le délai de vingt jours, une demande d'extradition n'est pas faite par l'agent diplomatique de son pays, en conformité des stipulations du présent traité.

“ La même règle s'appliquera dans le cas de personnes accusées ou trouvées coupables d'aucun des crimes ou délits spécifiés au présent traité, et commis sur la haute mer à bord d'un navire appartenant à l'un quelconque des deux pays, qui arrivera dans le port de l'autre.

“ ARTICLE XI.

“ Si le fugitif a été arrêté dans les possessions britanniques, il sera sans délai amené devant un magistrat compétent, qui l'examinera, et qui conduira l'enquête préliminaire de la cause, de la même manière que si l'arrestation avait eu lieu pour un crime commis dans les possessions britanniques.

“ Les autorités des possessions britanniques, quand elles procèderont à l'examen établi par les stipulations précédentes, devront admettre comme preuves entièrement valables les dépositions assermentées ou les affirmations faites dans les Pays-Bas, ou les copies de ces pièces, de même que les mandats d'arrêt et les sentences rendues dans ce pays, ainsi que les certificats de condamnation ou les pièces judiciaires constatant le fait d'une condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante :—

“ 1. Un mandat doit être signé par un juge, magistrat, ou officier des Pays-Bas.

“ 2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat, ou officier des Pays-Bas, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.

“ 3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat, ou officier des Pays-Bas.

“ 4. Ces mandats, dépositions, affirmations, copies, certificats ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel et la légalisation du ministre de la Justice, ou quelque autre ministre des Pays-Bas ; cependant, les pièces sus-énoncées pourront être rendues authentiques de toute autre manière qui serait reconnue par les lois locales en vigueur dans cette partie des possessions britanniques où l'examen de l'affaire aura lieu.

ARTICLE XII.

“ Si le fugitif a été arrêté dans les possessions des Pays-Bas, l'officier de justice fera une réquisition sous les trois jours après l'arrestation, ou, si l'arrestation n'a pas eu lieu, ou si elle a eu lieu antérieurement à la demande d'extradition, alors sous les trois jours après avoir été autorisé à cette fin par le gouvernement des Pays-Bas, afin que la personne réclamée puisse être interrogée par le tribunal, et que ce dernier puisse se prononcer pour ou contre l'extradition.

" Sous quatorze jours après l'interrogatoire le tribunal transmettra son opinion et sa décision, avec les documents relatifs à la cause, au ministre de la Justice.

" L'extradition ne sera accordée que sur la production, soit de l'original, soit d'une copie vidimée—

" 1. D'une condamnation ; ou,

" 2.—(*a*) D'un mandat d'arrestation (qui, d'après la loi des possessions britanniques, est le seul document qui est accordé lorsqu'il est jugé sur preuve sous serment que l'accusé devrait être arrêté), émis en la forme prescrite par la loi britannique, et indiquant le délit en question assez clairement pour permettre au gouvernement des Pays-Bas de décider si ce délit constitue vis-à-vis de la loi des Pays-Bas, un cas prévu par le présent traité ; et,

" (*b*) De la preuve.

" Les autorités des possessions néerlandaises, quand elle procéderont à l'examen établi par les stipulations précédentes, devront admettre comme preuves entièrement valables les dépositions assermentées ou les affirmations faites dans les possessions britanniques, ou les copies de ces pièces, de même que les mandats d'arrêt et les sentences rendues dans ce pays, ainsi que les certificats de condamnation ou les pièces judiciaires constatant le fait d'une condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante :—

" 1. Un mandat doit être signé par un juge, magistrat, ou officier des possessions britanniques.

" 2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat, ou officier des possessions britanniques, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.

" 3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat, ou officier des possessions britanniques.

" 4. Ces mandats, dépositions, affirmations, copies, certificats ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel et la légalisation de l'un des Principaux Secrétaires d'Etat, ou quelque autre ministre d'Etat des possessions britanniques ; cependant, les pièces sus-énoncées pourront être rendues authentiques de toute autre manière qui serait reconnue par les lois locales en vigueur dans les possessions des Pays-Bas où l'examen de l'affaire aura lieu.

" ARTICLE XIII.

" L'extradition n'aura lieu que dans le cas où les preuves fournies auront été trouvées suffisantes d'après les lois de l'Etat requis, soit pour justifier la mise sous jugement du prisonnier, dans le cas où le crime aurait été commis sur le territoire du dit Etat, soit pour constater l'identité du prisonnier avec l'individu condamné par les tribunaux de l'Etat requérant, et prouver que le crime dont il a été reconnu coupable aurait pu causer son extradition par l'Etat requis à l'époque de sa condamnation ; et l'extradition d'un criminel n'aura lieu qu'à l'expiration d'un terme de quinze jours à dater de son emprisonnement en vue de l'extradition.

" ARTICLE XIV.

" Si l'individu réclamé par l'une des deux hautes parties contractantes, en exécution du présent traité, est aussi réclamé par une ou plusieurs autres puissances, du chef d'autres crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat dont la demande est la plus ancienne en date.

" ARTICLE XV.

" Tous les objets saisis en la possession de l'individu réclamé au moment de son arrestation seront, si l'autorité compétente de l'Etat requis en a ordonné la remise, livrés lorsque l'extradition aura lieu ; cette remise ne comprendra pas seulement les objets volés, mais encore tout ce qui peut servir de pièce de conviction.

" ARTICLE XVI.

" Les gouvernements respectifs renoncent mutuellement à toute réclamation pour le remboursement des dépenses encourues par eux dans l'arrestation et l'entretien et transport de l'individu à extrader, et toutes autres dépenses qui peuvent être encourues dans les limites de leurs territoires respectifs jusqu'à ce que l'individu réclamé soit mis à bord d'un navire, ainsi que les dépenses encourues pour donner et retourner les documents contenant la preuve du crime, ou autres documents, et ils consentent réciproquement à supporter toutes ces dépenses eux-mêmes.

" Toutefois, les stipulations ci-dessus ne s'appliqueront pas à l'extradition du et au Canada, vu qu'à l'égard de cette colonie toutes les dépenses seront à la charge de l'Etat requérant.

" L'individu à extrader sera envoyé au port qu'indiquera l'agent diplomatique ou consulaire de l'Etat requérant.

" ARTICLE XVII.

" Si dans une cause criminelle pendante dans une cour ou un tribunal de l'un des deux pays il est jugé à propos de prendre le témoignage d'un témoin quelconque dans l'autre pays, ce témoignage pourra être reçu par les autorités judiciaires, conformément aux lois en force à ce sujet dans le pays où se trouve le témoin ; et toutes dépenses encourues pour prendre ce témoignage seront à la charge du pays où ce témoignage est pris.

" ARTICLE XVIII.

" Les stipulations du présent traité s'appliqueront aux colonies et possessions étrangères des deux hautes parties contractantes, mais, étant basées sur la législation de la mère-patrie, elles ne seront observées des deux côtés qu'en tant que faire se pourra d'après les lois en force dans ces colonies ou possessions.

" La demande d'extradition d'un délinquant qui s'est refugié dans une colonie ou possession étrangère de l'une ou l'autre partie contractante peut aussi être faite directement au gouverneur ou principal fonctionnaire de cette colonie ou possession par le gouverneur ou principal fonctionnaire d'une colonie ou possession de l'autre partie contractante lorsque les deux colonies ou possessions étrangères sont situées en Asie, en Australie (y compris la Nouvelle-Zélande et la Tasmanie), l'océan Pacifique et la mer de Chine, ou dans l'Afrique du Sud ou de l'Est.

" La même règle sera suivie si les deux colonies ou possessions étrangères sont situées en Amérique (y compris les Antilles).

" Les dits gouverneurs ou principaux fonctionnaires auront le pouvoir soit d'accorder l'extradition soit de renvoyer la question à leur gouvernement.

" Dans tous les autres cas, la demande d'extradition sera faite par la voie diplomatique.

" La période d'arrestation provisoire établie par l'article X sera, pour les fins du présent article, prolongée à soixante jours.

" ARTICLE XIX.

" A compter du jour où le présent traité deviendra en force le traité d'extradition conclu entre les deux pays le 19 juin 1874, cessera son effet ; mais le présent traité s'appliquera à tous les crimes couverts par le traité, qu'ils aient été commis avant ou après le jour de son entrée en force.

" ARTICLE XX.

" Le présent traité sera ratifié, et les ratifications seront échangées aussitôt que possible.

" Le traité sera exécutoire trois mois après l'échange des ratifications. Chacune des hautes parties contractantes pourra en tout temps mettre fin au traité en donnant à l'autre un avis de six mois.

" En foi de quoi les plénipotentiaires respectifs ont signé le présent traité, et y ont apposé le cachet de leurs armes.

" Fait en double à Londres, ce 26e jour de septembre 1898.

" SALISBURY,
" SCHIMMELPENNINCK v. D. OYE."

Et attendu que les ratifications du dit traité ont été échangées à Londres le quatorzième jour de décembre mil huit cent quatre-vingt-dix-huit.

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné, que le et après le quatorzième jour de mars mil huit cent quatre-vingt-dix-neuf, les dits actes s'appliqueront dans le cas des Pays-Bas, et du dit traité avec la Reine des Pays-Bas.

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits actes sera suspendue dans la Puissance du Canada, tant que les dispositions de l'acte canadien de 1886 intitulé "Acte concernant l'extradition des criminels fugitifs," resteront en vigueur, et pas plus longtemps.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que par l'article 245 de "l'Acte des douanes" (tel que modifié) il est statué comme suit :—

"245. Le Gouverneur en conseil pourra faire de temps à autre, et en la manière prescrite plus bas, en sus des objets et matières mentionnés au présent acte, des règlements relatifs aux objets et matières qui suivent :—

(*i*) Pour proroger, soit par règlements généraux, soit par des ordres spéciaux, les délais pour la sortie des marchandises entreposées, et pour la mutation des marchandises en entrepôt d'un port ou d'un endroit à un autre."

A ces causes il plaît à Son Excellence, en vertu de l'autorité dont il est revêtu, et par et avec l'avis du Conseil privé de la Reine pour le Canada, de faire les règlements d'entreposage suivants, et ils sont par le présent faits et établis en conséquence, savoir :—

RÈGLEMENTS D'ENTREPOSAGE.

1. Le délai fixé pour acquitter les vins et les spiritueux entrés dans un entrepôt et y restant pendant deux ans, pourra être prorogé par le ministre des Douanes pour une autre période n'excédant pas trois ans, si le droit est payé et la déclaration faite pour tout déficit trouvé dans le contenu des colis tels que premièrement entreposés.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que l'acte du parlement du Canada, 48-49 Victoria, chapitre 50, statue que "tous les terrains de la Couronne dans le Manitoba que l'on pourra démontrer, à la satisfaction du gouvernement fédéral, être des terrains marécageux, seront transférés à la province pour son propre usage et avantage" ;

Et attendu que conformément au dit acte, et à l'effet de mettre ses dispositions à exécution, un arrêté en conseil a été passé le 19 de juin 1886, définissant comme suit le mode de choisir les terrains :

"Toutes les subdivisions légales dont la plus grande partie est sujette à être inondée, et par là rendue impropre à la culture, seront comprises dans la liste, mais lorsque la plus grande partie de la subdivision n'est pas de cette nature, toute la subdivision en sera exclue." (La subdivision légale d'après le système d'arpentage des Etats-Unis de même que d'après le système canadien, se compose de quarante acres.)

Et attendu que l'expérience a démontré qu'il vaudra mieux dans l'intérêt du gouvernement fédéral que du gouvernement provincial, et que le progrès sera plus satisfaisant si les terres sont choisies par étendues d'au moins un quart de section au lieu d'une subdivision légale,—

A ces causes il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner, que la clause 3 de l'arrêté en conseil du 19 de juin 1886 soit et elle est par le présent cancellée et remplacée par ce qui suit :—

"Les terres à choisir seront composées d'étendues d'au moins un quart de section, dont la plus grande partie est sujette à être inondée, et par là rendue impropre à la culture, mais lorsque la plus grande partie d'un quart de section n'est pas de cette nature, alors aucune partie de l'étendue ne sera comprise dans la liste des terrains marécageux."

Et considérant que l'arrêté énonce que ce chemin est nécessaire et recommandable pour les fins d'établissement et de colonisation et pour la commodité du public, et demande qu'il soit confirmé par le Gouverneur en conseil,—

A ces causes il plaît à Son Excellence, vu qu'il n'apparaît pas d'objection à ce chemin, par et avec l'avis du Conseil privé de la Reine pour le Canada, de consentir à l'ouverture du dit chemin qui est colorié rose sur le plan ci-joint, et de le transférer à la Couronne pour la province du Manitoba, dans le but de servir de chemin public, tel que prévu par la clause 7 de l'acte 58-59 Victoria, chapitre 30.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français daus le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

ORDER IN COUNCIL.

EXTRADITION TREATY—NETHERLANDS.

Osborne House, Isle of Wight, 2nd February, 1899.

AT the Court at *Osborne House, Isle of Wright,* the 2nd day of *February,* 1899.

PRESENT :

The QUEEN'S Most Excellent Majesty.

Lord President.	Duke of Marlborough.
Lord Privy Seal.	Earl of Kintore.

WHEREAS by The Extradition Acts, 1870 to 1895, it was amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, Her Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State ; and that Her Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient.

And whereas a Treaty was concluded on the twenty-sixth day of September, one thousand eight hundred and ninety-eight, between Her Majesty and the Queen of the Netherlands, for the mutual extradition of fugitive criminals, which Treaty is in the terms following :—

" HER Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, and Her Majesty the Queen of the Netherlands, having mutually resolved to conclude a new Treaty for the extradition of criminals, the said High Contracting Parties have named as their Plenipotentiaries to conclude a Treaty for this purpose, that is to say :

" Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, the Most Honourable Robert Arthur Talbot Gascoyne Cecil, Marquess of Salisbury, Earl of Salisbury, Viscount Cranborne, Baron Cecil, Peer of the United Kingdom, Knight of the Most Noble Order of the Garter, Member of Her Majesty's Most Honourable Privy Council, Her Majesty's Principal Secretary of State for Foreign Affairs, &c., &c. ;

" And Her Majesty the Queen of the Netherlands, Alexander William Baron Schimmelpenninck van der Oye, Chargé d'Affaires, *ad interim,* of the Netherlands in London, Knight of the Order of Orange Nassau, &c., &c. ;

" Who, having communicated to each other their respective full powers, found in good and due form, have agreed upon and concluded the following Articles :—

" ARTICLE I.

" The High Contracting Parties engage to deliver up to each other those persons who, being accused or convicted of a crime or offence committed in the territory of the one Party, shall be found within the territory of the other Party, under the circumstances and conditions stated in the present Treaty.

" ARTICLE II.

" The crimes or offences for which the extradition is to be granted are the following :—

" 1. Murder, including infanticide, or attempt, or conspiracy to murder, including such crimes when directed against the Sovereign, his heir, or any other person whomsoever, provided that the crime is not of a political character.

“ 2. Manslaughter, including the manslaughter of a child.

“ 3. Assault occasioning actual bodily harm.

“ 4. Maliciously wounding or inflicting grievous bodily harm.

“ 5. Counterfeiting or altering money, or uttering counterfeit or altered money.

“ 8. Malicious injury to property if the offence be indictable.

“ 9. Obtaining money, goods, or valuable securities by false pretences.

“ 10. Crimes against bankruptcy law.

“ 11. Perjury, or subornation of perjury.

“ 12. Rape.

“ 13. Carnal knowlege, or any attempt to have any carnal knowledge, of a girl under 16 years of age.

“ 14. Indecent assault.

“ 15. Administering drugs, or using instruments with intent to procure the miscarriage of a woman.

“ 16. Abduction.

“ 20. Arson.

“ 21. Robbery with violence.

“ 26. Assaults on board a ship on the high seas, with intent to destroy life, or do grievous bodily harm.

“ 27. Revolt by two or more persons on board a ship on the high seas, against the authority of the master.

“ 28. Dealing in slaves in such a manner as to constitute a criminal offence against the laws of both States.

“ Extradition is also to be granted for participation in any of the aforesaid crimes, provided such participation be an extradition crime by the laws of the State applied to.

“ In the foregoing cases extradition shall take place only when the crime, if committed within the jurisdiction of the country on which the claim for surrender is made, would constitute an extradition crime by the laws of that country.

“ Extradition may also be granted at the discretion of the State applied to in respect of any other crime for which, according to the laws of both the contracting parties for the time being in force, the grant can be made.

“ ARTICLE III.

“ Either Government may, in its absolute discretion, refuse to surrender its own subjects to the other Government.

“ ARTICLE IV.

“ The extradition shall not take place if the person claimed on the part of the British Government, or the person claimed on the part of the Netherland Government, has already been tried and discharged or punished, or is actually upon his trial, within the territory of the other of the two High Contracting Parties, for the crime for which his extradition is demanded.

“ If the person claimed on the part of the British Government, or if the person claimed on the part of the Netherland Government, should be under examination, or is undergoing sentence under a conviction, for any other crime within the territories of the two High Contracting Parties respectively, his extradition shall be deferred until after he has been discharged, whether by acquittal or on expiration of his sentence, or otherwise.

“ ARTICLE V.

“ The extradition shall not take place if, subsequently to the commission of the crime, or the institution of the penal prosecution or the conviction thereon, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applied to.

“ ARTICLE VI.

“ A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or if he prove that the requisition for his surrender has in fact been made with a view to try or punish him for an offence of a political character.

“ ARTICLE VII.

“ A person surrendered may in no case be kept in prison, or be brought to trial in the State to which the surrender has been made, for any other crime, or on account of any other matters, than those for which the extradition shall have taken place, until he has been restored, or had an opportunity during one month of returning, to the State by which he has been surrendered.

“ This stipulation does not apply to crimes committed after the extradition.

“ ARTICLE VIII.

“ The requisition for extradition shall be made through the Diplomatic Agents of the High Contracting Parties respectively.

“ The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

“ If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

“ A sentence passed *in contumaciam* is not to be deemed a conviction, but a person so sentenced may be dealt with as an accused person.

“ ARTICLE IX.

“ If the requisition for extradition be in accordance with the foregoing stipulations, the competent authorities of the State applied to shall proceed to the arrest of the fugitive.

“ ARTICLE X.

“ Pending the presentation of the demand for extradition through the Diplomatic channel a fugitive criminal may be apprehended under a warrant issued by any Police Magistrate, Justice of the Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings, as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed or the person convicted in that part of the dominions of the two Contracting Parties in which the Magistrate, Justice of the Peace, or other competent authority exercises jurisdiction ; provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Magistrate. He shall, in accordance with this article, be discharged, as well in the Netherlands as in the United Kingdom, if within the term of twenty days a requisition for extradition shall not have been made by the Diplomatic Agent of the demanding country in accordance with the stipulations of this Treaty. The same rule shall apply to the cases of persons accused or convicted of any of the crimes or offences specified in this Treaty, and committed on the high seas on board any vessel of either country which may come into a port of the other.

" ARTICLE XI.

" If the fugitive have been arrested in the British dominions he shall forthwith be brought before a competent Magistrate, who is to examine him, and to conduct the preliminary investigation of the case, just as if the apprehension had taken place for a crime committed in the British dominions.

" In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the British dominions shall admit as valid evidence depositions or statements on oath or the affirmations of witnesses taken in the Netherlands, or copies thereof, and likewise the warrants and sentences issued therein, and certificates of, or judicial documents stating the fact of, a conviction, provided the same are authenticated as follows :—

" 1. A warrant must purport to be signed by a Judge, Magistrate, or officer of the Netherlands.

" 2. Depositions, or affirmations, or the copies thereof, must purport to be certified, under the hand of a Judge, Magistrate, or officer of the Netherlands, to be the original depositions or affirmations, or to be true copies thereof, as the case may require.

" 3. A certificate of, or judicial document stating the fact of, a conviction must purport to be certified by a Judge, Magistrate, or officer of the Netherlands.

" 4. In every case such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated either by the oath of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of State of the Netherlands ; but any other mode of authentication for the time being permitted by the law in that part of the British dominions where the examination is taken may be substituted for the foregoing.

" ARTICLE XII.

" If the fugitive have been arrested in the dominions of the Netherlands the officer of justice shall prefer a requisition within three days after the arrest, or, if the arrest have not taken place, or if it have taken place prior to the application for extradition, then within three days after the receipt of authority for that purpose from the Netherland Government in order that the person claimed may be interrogated by the Court, and that it may express its opinion as to the grant or refusal of extradition.

" Within fourteen days after the interrogatory the Court shall forward its opinion and its decision, with the papers in the case to the Minister of Justice.

" The extradition shall only be granted on the production, either in original or in authenticated copy—

" 1. Of a conviction ; or,

" 2.—(*a.*) Of a warrant of arrest (which, by the law of the British dominions, is the only document which is granted when it is adjudged upon evidence taken on oath that the accused ought to be taken into custody), issued in the form prescribed by British law, and indicating the offence in question sufficiently to enable the Netherland Government to decide whether is constitutes, in contemplation of Netherland law, a case provided for by the present Treaty ; and,

(*b.*) Of the evidence.

" In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the Netherland dominions shall admit as valid evidence depositions or statements on oath, or the affirmations of witnesses taken in the British dominions, or copies thereof, and likewise the warrants and sentences issued therein, and certificates of, or judicial documents stating the fact of, a conviction, provided the same are authenticated as follows :—

" 1. A warrant must purport to be signed by a Judge, Magistrate, or officer of the British dominions.

" Depositions of affirmations, or the copies thereof, must purport to be certified under the hand of a Judge, Magistrate, or officer of the British dominions, to be the original depositions or affirmations, or to be true copies thereof, as the case may require.

" 3. A certificate of, or judical document stating the fact of, a conviction, must purport to be certified by a Judge, Magistrate or officer of the British dominions.

" 4. In every case such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated either by the oath of some witness, or by being sealed with the official seal of one of the Principal Secretaries of State, or some other Minister of State of the British dominions, but any other mode of authentication for the time being permitted by law in that part of the dominions of the Netherlands where the examination is taken may be substituted for the foregoing.

" ARTICLE XIII.

" The extradition shall not take place unless the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial, if the crime had been committed in the territory of the said State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition, and that the crime of which he has been convicted is one in respect of which extradition could, at the time of such conviction, have been granted by the State applied to. The fugitive criminal shall not be surrendered until the expiration of fifteen days from the date of his being committed to prison to await his surrender.

" ARTICLE XIV.

" If the individual claimed by one of the two High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other powers, on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to that State whose demand is earliest in date.

" ARTICLE XV.

" All articles seized which were in the possession of the person to be surrendered, at the time of his apprehension, shall, if the competent authority of the State applied to for the extradition has ordered the delivery thereof, be given up when the extradition takes place, and the said delivery shall extend not merely to the stolen articles but to everything that may serve as a proof of the crime.

" ARTICLE XVI.

" The respective Governments mutually renounce all claim for the repayment of expenses incurred by them in the arrest and maintenance and transport of the person to be surrendered, and all other expenses which may be incurred within the limits of their respective territories until the person to be surrendered is placed on board ship, together with the expenses of giving up and returning all seized articles and of sending and returning the papers containing proof of the crime, or other documents, and they reciprocally agree to bear all such expenses themselves.

" The above stipulations, however, shall not apply to extradition to and from Canada, as regards which Colony all the expenses shall be borne by the demanding State.

" The person to be extradited shall be sent to the port which the Diplomatic or Consular Agent of the demanding State shall indicate.

" ARTICLE XVII.

" If in any criminal matter pending in any Court or Tribunal of one of the two countries it is thought desirable to take the evidence of any witness in the other, such evidence may be taken by the judicial authorities in accordance with the laws in force on this subject in the country where the witness may be; and any expenses incurred in taking such evidence shall be defrayed by the country in which it is taken.

" ARTICLE XVIII.

" The stipulations of the present Treaty shall apply to the Colonies and foreign possessions of the two High Contracting Parties, but being based upon the legislation of the mother country, shall only be observed on either side so far as they may be compatible with the laws in force in those Colonies or possessions.

" The demand for the extradition of an offender who has taken refuge in a Colony or foreign possession of either Contracting Party may also be made directly to the Governor or principal functionary of that Colony or possession by the Governor or principal functionary of a Colony or possession of the other Contracting Party when the two Colonies or foreign possessions are situated in Asia, Australia (including New Zealand and Tasmania), the Pacific and Indian Oceans, or South or East Africa.

" The same rule shall be followed if the two Colonies or foreign possessions are situated in America (including the West India Islands.)

" The said Governors or principal functionaries shall have the power either of granting the extradition or of referring the question to their Government.

" In all other cases, the demand for extradition shall be made through the Diplomatic channel.

" The period of provisional arrest provided for in article X shall for the purposes of this article be extended to sixty days.

" ARTICLE XIX.

" From the day when the present Treaty shall come into force the Treaty of Extradition between the two countries of the 19th June, 1874, shall cease to have effect; but the present Treaty shall apply to all crimes within the Treaty, whether committed before or after the day when it comes into force.

" ARTICLE XX.

" The present Treaty shall be ratified, and the ratifications shall be exchanged as soon as possible.

" The Treaty shall come into force three months after the exchange of the ratifications. It may be terminated by either of the High Contracting Parties at any time on giving to the other six months' notice of its intention to do so.

" In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seal of their arms.

" Done in duplicate at London, this 26th day of September, 1898.

" SALISBURY,
" SCHIMMELPENNINCK v. D. OYE."

And whereas the ratifications of the said Treaty were exchanged at London on the fourteenth day of December, one thousand eight hundred and ninety-eight.

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, and in virtue of the authority committed to Her by the said recited Acts, doth order, and it is hereby ordered, that from and after the fourteenth day of March, one thousand eight hundred and ninety-nine, the said Acts shall apply in the case of the Netherlands, and of the said Treaty with the Queen of the Netherlands.

Provided always, that the operation of the said Acts, shall be and remain suspended within the Dominion of Canada so long as an Act of the Parliament of Canada passed in one thousand eight hundred and eighty-six, and entitled "An Act respecting the extradition of Fugitive Criminals," shall continue in force there, and no longer.

" L'extradition ne sera pas accordée si l'individu réclamé par le gouvernement britannique ou l'individu réclamé par le gouvernement des Pays-Bas a déjà été jugé, acquitté ou puni, ou se trouve encore sous jugement dans le territoire de l'autre des deux hautes parties contractantes, pour le crime à raison duquel l'extradition est demandée.

" Si la personne réclamée par le gouvernement britannique ou par celui du gouvernement des Pays-Bas est en état de prévention, ou subit une peine après condamnation dans les territoires des deux hautes parties contractantes, pour un autre crime, son extradition sera différée jusqu'à la conclusion de son procès, et qu'elle ait purgé la peine qui lui aura été infligée.

" ARTICLE V.

" L'extradition n'aura pas lieu si depuis la perpétration du crime, les poursuites ou la condamnation, la prescription des poursuites ou de la peine est acquise d'après les lois du pays auquel la demande est adressée.

" ARTICLE VI.

" Le criminel fugitif ne sera pas extradé si le délit pour lequel l'extradition est demandée est considéré comme un délit politique, ou si l'individu prouve que la demande d'extradition a été faite en réalité dans le but de le poursuivre ou de le punir pour un délit d'un caractère politique.

" ARTICLE VII.

" L'individu qui aura été livré ne pourra, en aucun cas, dans le pays auquel l'extradition a été accordée, être maintenu en état d'arrestation ou poursuivi pour aucun crime ou faits autres que ceux qui avaient motivé l'extradition, à moins qu'il n'ait été réintégré, ou n'ait eu l'occasion de retourner de lui-même dans l'Etat qui l'avait extradé.

" Cette stipulation n'est pas applicable aux crimes commis après l'extradition.

" ARTICLE VIII.

" L'extradition sera demandée par la voie des agents diplomatiques des hautes parties contractantes respectivement.

" La demande d'extradition d'un prévenu devra être accompagnée d'un mandat d'arrêt décerné par l'autorité compétente de l'Etat requérant, et des preuves qui, d'après les lois de l'endroit où le prévenu a été trouvé, justifieraient son arrestation si l'acte punissable y avait été commis.

" Si la demande d'extradition concerne une personne déjà condamnée, elle doit être accompagnée de l'arrêt de condamnation qui a été rendu contre le coupable par le tribunal compétent de l'Etat requérant.

" Un arrêt rendu par contumace ne sera pas considéré comme une condamnation, mais une personne ainsi condamnée pourra être traitée comme une personne accusée.

" ARTICLE IX.

" Si la demande d'extradition s'accorde avec les stipulations précédentes, les autorités compétentes de l'Etat requis procèderont à l'arrestation du fugitif.

" ARTICLE X.

" En attendant la présentation de la demande d'extradition par la voie diplomatique, un criminel fugitif pourra être arrêté en vertu d'un mandat émis par tout magistrat de police, juge de paix, ou autre autorité compétente dans l'un ou l'autre pays, sur telle information ou plainte et preuve, ou après telles procédures qui, dans l'opinion de l'autorité qui émet le mandat, justifieraient l'émission d'un mandat si le crime avait été commis ou si la personne avait été trouvée coupable dans cette partie des possessions des deux parties contractantes dans laquelle le magistrat, juge de paix ou autre autorité compétente a juridiction ; pourvu, toutefois, que dans le Royaume-Uni, l'accusé sera, dans chaque cas, envoyé aussitôt que possible devant un magistrat. Le criminel sera, en conformité du présent article, libéré, tant dans les Pays-Bas que dans le Royaume-Uni, si, dans le délai de vingt jours, une demande d'extradition n'est pas faite par l'agent diplomatique de son pays, en conformité des stipulations du présent traité.

" La même règle s'appliquera dans le cas de personnes accusées ou trouvées coupables d'aucun des crimes ou délits spécifiés au présent traité, et commis sur la haute mer à bord d'un navire appartenant à l'un quelconque des deux pays, qui arrivera dans le port de l'autre.

" ARTICLE XI.

" Si le fugitif a été arrêté dans les possessions britanniques, il sera sans délai amené devant un magistrat compétent, qui l'examinera, et qui conduira l'enquête préliminaire de la cause, de la même manière que si l'arrestation avait eu lieu pour un crime commis dans les possessions britanniques.

" Les autorités des possessions britanniques, quand elles procèderont à l'examen établi par les stipulations précédentes, devront admettre comme preuves entièrement valables les dépositions assermentées ou les affirmations faites dans les Pays-Bas, ou les copies de ces pièces, de même que les mandats d'arrêt et les sentences rendues dans ce pays, ainsi que les certificats de condamnation ou les pièces judiciaires constatant le fait d'une condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante :—

" 1. Un mandat doit être signé par un juge, magistrat, ou officier des Pays-Bas.

" 2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat, ou officier des Pays-Bas, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.

" 3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat, ou officier des Pays-Bas.

" 4. Ces mandats, dépositions, affirmations, copies, certificats ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel et la légalisation du ministre de la Justice, ou quelque autre ministre des Pays-Bas ; cependant, les pièces sus-énoncées pourront être rendues authentiques de toute autre manière qui serait reconnue par les lois locales en vigueur dans cette partie des possessions britanniques où l'examen de l'affaire aura lieu.

ARTICLE XII.

" Si le fugitif a été arrêté dans les possessions des Pays-Bas, l'officier de justice fera une réquisition sous les trois jours après l'arrestation, ou, si l'arrestation n'a pas eu lieu, ou si elle a eu lieu antérieurement à la demande d'extradition, alors sous les trois jours après avoir été autorisé à cette fin par le gouvernement des Pays-Bas, afin que la personne réclamée puisse être interrogée par le tribunal, et que ce dernier puisse se prononcer pour ou contre l'extradition.

“ Sous quatorze jours après l'interrogatoire le tribunal transmettra son opinion et sa décision, avec les documents relatifs à la cause, au ministre de la Justice.

“ L'extradition ne sera accordée que sur la production, soit de l'original, soit d'une copie vidimée—

“ 1. D'une condamnation ; ou,

“ 2.—(*a*) D'un mandat d'arrestation (qui, d'après la loi des possessions britanniques, est le seul document qui est accordé lorsqu'il est jugé sur preuve sous serment que l'accusé devrait être arrêté), émis en la forme prescrite par la loi britannique, et indiquant le délit en question assez clairement pour permettre au gouvernement des Pays-Bas de décider si ce délit constitue vis-à-vis de la loi des Pays-Bas, un cas prévu par le présent traité ; et,

“ (*b*) De la preuve.

“ Les autorités des possessions néerlandaises, quand elle procéderont à l'examen établi par les stipulations précédentes, devront admettre comme preuves entièrement valables les dépositions assermentées ou les affirmations faites dans les possessions britanniques, ou les copies de ces pièces, de même que les mandats d'arrêt et les sentences rendues dans ce pays, ainsi que les certificats de condamnation ou les pièces judiciaires constatant le fait d'une condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante :—

“ 1. Un mandat doit être signé par un juge, magistrat, ou officier des possessions britanniques.

“ 2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat, ou officier des possessions britanniques, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.

“ 3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat, ou officier des possessions britanniques.

“ 4. Ces mandats, dépositions, affirmations, copies, certificats ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel et la légalisation de l'un des Principaux Secrétaires d'Etat, ou quelque autre ministre d'État des possessions britanniques ; cependant, les pièces sus-énoncées pourront être rendues authentiques de toute autre manière qui serait reconnue par les lois locales en vigueur dans les possessions des Pays-Bas où l'examen de l'affaire aura lieu.

“ ARTICLE XIII.

“ L'extradition n'aura lieu que dans le cas où les preuves fournies auront été trouvées suffisantes d'après les lois de l'Etat requis, soit pour justifier la mise sous jugement du prisonnier, dans le cas où le crime aurait été commis sur le territoire du dit Etat, soit pour constater l'identité du prisonnier avec l'individu condamné par les tribunaux de l'Etat requérant, et prouver que le crime dont il a été reconnu coupable aurait pu causer son extradition par l'Etat requis à l'époque de sa condamnation ; et l'extradition d'un criminel n'aura lieu qu'à l'expiration d'un terme de quinze jours à dater de son emprisonnement en vue de l'extradition.

“ ARTICLE XIV.

“ Si l'individu réclamé par l'une des deux hautes parties contractantes, en exécution du présent traité, est aussi réclamé par une ou plusieurs autres puissances, du chef d'autres crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat dont la demande est la plus ancienne en date.

“ ARTICLE XV.

“ Tous les objets saisis en la possession de l'individu réclamé au moment de son arrestation seront, si l'autorité compétente de l'Etat requis en a ordonné la remise, livrés lorsque l'extradition aura lieu ; cette remise ne comprendra pas seulement les objets volés, mais encore tout ce qui peut servir de pièce de conviction.

“ ARTICLE XVI.

“ Les gouvernements respectifs renoncent mutuellement à toute réclamation pour le remboursement des dépenses encourues par eux dans l'arrestation et l'entretien et transport de l'individu à extrader, et toutes autres dépenses qui peuvent être encourues dans les limites de leurs territoires respectifs jusqu'à ce que l'individu réclamé soit mis à bord d'un navire, ainsi que les dépenses encourues pour donner et retourner les documents contenant la preuve du crime, ou autres documents, et ils consentent réciproquement à supporter toutes ces dépenses eux-mêmes.

“ Toutefois, les stipulations ci-dessus ne s'appliqueront pas à l'extradition du et au Canada, vu qu'à l'égard de cette colonie toutes les dépenses seront à la charge de l'Etat requérant.

“ L'individu à extrader sera envoyé au port qu'indiquera l'agent diplomatique ou consulaire de l'Etat requérant.

“ ARTICLE XVII.

“ Si dans une cause criminelle pendante dans une cour ou un tribunal de l'un des deux pays il est jugé à propos de prendre le témoignage d'un témoin quelconque dans l'autre pays, ce témoignage pourra être reçu par les autorités judiciaires, conformément aux lois en force à ce sujet dans le pays où se trouve le témoin ; et toutes dépenses encourues pour prendre ce témoignage seront à la charge du pays où ce témoignage est pris.

“ ARTICLE XVIII.

“ Les stipulations du présent traité s'appliqueront aux colonies et possessions étrangères des deux hautes parties contractantes, mais, étant basées sur la législation de la mère-patrie, elles ne seront observées des deux côtés qu'en tant que faire se pourra d'après les lois en force dans ces colonies ou possessions.

“ La demande d'extradition d'un délinquant qui s'est refugié dans une colonie ou possession étrangère de l'une ou l'autre partie contractante peut aussi être faite directement au gouverneur ou principal fonctionnaire de cette colonie ou possession par le gouverneur ou principal fonctionnaire d'une colonie ou possession de l'autre partie contractante lorsque les deux colonies ou possessions étrangères sont situées en Asie, en Australie (y compris la Nouvelle-Zélande et la Tasmanie), l'océan Pacifique et la mer de Chine, ou dans l'Afrique du Sud ou de l'Est.

“ La même règle sera suivie si les deux colonies ou possessions étrangères sont situées en Amérique (y compris les Antilles).

“ Les dits gouverneurs ou principaux fonctionnaires auront le pouvoir soit d'accorder l'extradition soit de renvoyer la question à leur gouvernement.

“ Dans tous les autres cas, la demande d'extradition sera faite par la voie diplomatique.

“ La période d'arrestation provisoire établie par l'article X sera, pour les fins du présent article, prolongée à soixante jours.

“ ARTICLE XIX.

“ A compter du jour où le présent traité deviendra en force le traité d'extradition conclu entre les deux pays le 19 juin 1874, cessera son effet ; mais le présent traité s'appliquera à tous les crimes couverts par le traité, qu'ils aient été commis avant ou après le jour de son entrée en force.

“ ARTICLE XX.

“ Le présent traité sera ratifié, et les ratifications seront échangées aussitôt que possible.

“ Le traité sera exécutoire trois mois après l'échange des ratifications. Chacune des hautes parties contractantes pourra en tout temps mettre fin au traité en donnant à l'autre un avis de six mois.

“ En foi de quoi les plénipotentiaires respectifs ont signé le présent traité, et y ont apposé le cachet de leurs armes.

“ Fait en double à Londres, ce 26e jour de septembre 1898.

“ SALISBURY,
“ SCHIMMELPENNINCK v. D. OYE.”

Et attendu que les ratifications du dit traité ont été échangées à Londres le quatorzième jour de décembre mil huit cent quatre-vingt-dix-huit.

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné, que le et après le quatorzième jour de mars mil huit cent quatre-vingt-dix-neuf, les dits actes s'appliqueront dans le cas des Pays-Bas, et du dit traité avec la Reine des Pays-Bas.

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits actes sera suspendue dans la Puissance du Canada tant que les dispositions de l'acte canadien de 1886 intitulé "Acte concernant l'extradition des criminels fugitifs," resteront en vigueur, et pas plus longtemps.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que par l'article 245 de "l'Acte des douanes" (tel que modifié) il est statué comme suit :—

"245. Le Gouverneur en conseil pourra faire de temps à autre, et en la manière prescrite plus bas, en sus des objets et matières mentionnés au présent acte, des règlements relatifs aux objets et matières qui suivent :—

(*i*) Pour proroger, soit par règlements généraux, soit par des ordres spéciaux, les délais pour la sortie des marchandises entreposées, et pour la mutation des marchandises en entrepôt d'un port ou d'un endroit à un autre."

A ces causes il plaît à Son Excellence, en vertu de l'autorité dont il est revêtu, et par et avec l'avis du Conseil privé de la Reine pour le Canada, de faire les règlements d'entreposage suivants, et ils sont par le présent faits et établis en conséquence, savoir :—

RÈGLEMENTS D'ENTREPOSAGE.

1. Le délai fixé pour acquitter les vins et les spiritueux entrés dans un entrepôt et y restant pendant deux ans, pourra être prorogé par le ministre des Douanes pour une autre période n'excédant pas trois ans, si le droit est payé et la déclaration faite pour tout déficit trouvé dans le contenu des colis tels que premièrement entreposés.

Lundi, le 27e jour de février 1899.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que l'acte du parlement du Canada, 48-49 Victoria, chapitre 50, statue que "tous les terrains de la Couronne dans le Manitoba que l'on pourra démontrer, à la satisfaction du gouvernement fédéral, être des terrains marécageux, seront transférés à la province pour son propre usage et avantage" ;

Et attendu que conformément au dit acte, et à l'effet de mettre ses dispositions à exécution, un arrêté en conseil a été passé le 19 de juin 1886, définissant comme suit le mode de choisir les terrains :

"Toutes les subdivisions légales dont la plus grande partie est sujette à être inondée, et par là rendue impropre à la culture, seront comprises dans la liste, mais lorsque la plus grande partie de la subdivision n'est pas de cette nature, toute la subdivision en sera exclue." (La subdivision légale d'après le système d'arpentage des Etats-Unis de même que d'après le système canadien, se compose de quarante acres.)

Et attendu que l'expérience a démontré qu'il vaudra mieux dans l'intérêt du gouvernement fédéral que du gouvernement provincial, et que le progrès sera plus satisfaisant si les terres sont choisies par étendues d'au moins un quart de section au lieu d'une subdivision légale,—

A ces causes il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner, que la clause 3 de l'arrêté en conseil du 19 de juin 1886 soit et elle est par le présent cancellée et remplacée par ce qui suit :—

"Les terres à choisir seront composées d'étendues d'au moins un quart de section, dont la plus grande partie est sujette à être inondée, et par là rendue impropre à la culture, mais lorsque la plus grande partie d'un quart de section n'est pas de cette nature, alors aucune partie de l'étendue ne sera comprise dans la liste des terrains marécageux."

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que le Conseil Exécutif de la province du Manitoba a passé un arrêté à l'effet d'ouvrir un nouveau chemin sur le quart nord-est de la section 13, township 5, rang 7, la moitié ouest de la section 3 et la moitié ouest et le quart sud-est de la section, 9, dans le township 6, rang 7 à l'ouest du 1er méridien, et le dit Conseil a, par la voie du Secrétariat d'Etat, déposé une copie de l'arrêté (ci-jointe) ainsi que le plan qui l'accompagne ;

Et considérant que l'arrêté énonce que ce chemin est nécessaire et recommandable pour les fins d'établissement et de colonisation et pour la commodité du public, et demande qu'il soit confirmé par le Gouverneur en conseil,—

A ces causes il plaît à Son Excellence, vu qu'il n'apparaît pas d'objection à ce chemin, par et avec l'avis du Conseil privé de la Reine pour le Canada, de consentir à l'ouverture du dit chemin qui est colorié rose sur le plan ci-joint, et de le transférer à la Couronne pour la province du Manitoba, dans le but de servir de chemin public, tel que prévu par la clause 7 de l'acte 58-59 Victoria, chapitre 30.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français' ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos " Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Substance des règles et formes de procéder du Sénat concernant les bills de divorce.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré durant six mois avant la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique, ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

[306]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 27th day of February, 1899.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by the Act of the Parliament of Canada, 48-49 Victoria, chapter 50, it is provided that "All Crown Lands in Manitoba, which may be shown "to the satisfaction of the Dominion Government to "be swamp lands, shall be transferred to the Province, "and inure wholly to its benefit and uses";

And whereas in accordance with this Act, and in order to carry out its provisions, on the 19th of June, 1886, an Order in Council was passed defining the method of selection which was to be made as follows:—

"All legal subdivisions the greater part of which "are subject to overflow and thereby rendered unfit "for cultivation shall be included in the list, but "when the greater part of the subdivision is not of "that character, the whole of it shall be excluded "therefrom." (The legal subdivision in the United States System of Survey as in the Canadian consists of forty acres.)

And whereas experience has shown that it will be better in the interests of both the Provincial and Dominion Governments, and that more satisfactory progress will be made, if the lands are selected in areas of not less than a quarter section instead of a legal subdivision.

Therefore His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased to order that clause 3 of the Order in Council of the 19th June, 1886, shall be and the same is hereby cancelled, and the following substituted therefor:—

The lands to be selected shall consist of areas of not less than a quarter section, the greater part of which is subject to overflow, and thereby rendered unfit for cultivation, but when the greater part of any quarter section is not of that character, then no part of the area shall be listed as swamp lands.

JOHN J. McGEE,
Clerk of the Privy Council.
